Preamble

This Agreement is made and entered into this **July 18, 2014** in accordance with the provisions of Title II of the Railway Labor Act, as amended, by and between US Airways, Inc. (hereinafter referred to as the “Company”) and the International Association of Machinists and Aerospace Workers (hereinafter referred to as the “Union”).
Article 1 - Purpose of Agreement

A. The purpose of this Agreement is in the mutual interest of the Company and the employees, to provide for operation of the services of the Company under methods which will further, to the fullest extent possible, the safety of air transportation, the efficiency of operation, and the continuation of employment under conditions of reasonable hours, proper compensation and working conditions. It is recognized by this Agreement to be the duty of the Company and of the employees to cooperate fully for the attainment of these purposes. To further these purposes, the Company may request a meeting with the Union, or an International/District Representative of the Union may request a conference with the Company's Labor Relations Department at any time to discuss and deal with any general condition that may arise under the application of this Agreement. **Within thirty (30) calendar days the parties will mutually agree on a date for such meeting.**

B. No employee covered by this Agreement will be interfered with, restrained, coerced, or discriminated against by the Company, its officers or agents, because of membership in or lawful activity on behalf of the Union.

C. It is understood wherever in this Agreement employees are referred to in the masculine gender, it shall be recognized as referring to both male and female employees.

D. Should any part or provision of this Agreement be rendered invalid by reason of any existing or subsequently enacted legislation, such invalidation of any part or provision of this Agreement shall not invalidate the remaining portions thereof, and they shall remain in full force and effect.

E. The Company and the Union agree to comply fully with all applicable Federal and State statutes and regulations prohibiting discrimination with respect to all aspects of employment with the Company. Further, the Company and the Union agree that neither shall discriminate against employees covered by this Agreement on the basis of race,
color, religion, sex, national origin, age, sexual orientation, disability, membership in a uniformed service, or status as a disabled veteran.
**Article 2 - Status of Agreement**

A. It is expressly understood and agreed that when this Agreement is accepted by the parties and signed by their authorized representatives, it will supersede any and all Agreements existing or previously executed between the Company and any Union or individual affecting the crafts or classes of employees covered by this Agreement.

B. The Agreement shall be binding upon the Company and any Successor, defined as a purchaser, assignee or transferee of all or substantially all of the assets or stock of the Company or US Airways Group. Neither the Company nor US Airways Group shall enter into an agreement with a Successor which creates a Successor Transaction unless the Successor agrees, in writing, as a prior condition of the Successorship Transaction, to cause the Company and US Airways Group to continue to be bound by the Agreement, as it may be amended pursuant to the provisions of applicable law, and to cause any operating airline which obtains the assets of the Company to honor and be bound by the Agreement as it may be amended pursuant to the provisions of applicable law.

If a Successor is an air carrier, and the Successor conducts an operational merger between the Company and the Successor or another air carrier, then the Successor will provide the Company employees with a seniority integration governed by Sections 2, 3 and 13 of the Allegheny-Mohawk Labor Protective Provision.

C. It is understood and agreed that the Company will not lock out any employees covered hereby, and the Union will not authorize or take part in any strikes, sit-down, slowdown, or picketing of Company premises during the life of this Agreement until the procedures for settling disputes as provided herein and provided by the Railway Labor Act, as amended, have been exhausted. The Company will not require the employees hereunder to cross picket lines of the Company's employees legally established under contractual provisions and the Railway Labor Act on or in front of the
premises. The individual or concerted refusal to pass such
picket lines shall not constitute grounds for discipline,
discharge, lay-off, or be considered a violation of this
Agreement.

The Company shall not perform “Struck Work” of Wholly
Owned Carriers and of MDA. “Struck work” is Fleet Service
work traditionally and regularly performed by a Wholly
Owned Carrier or MDA where and during the period the
Fleet Service employees of that Wholly Owned Carrier or
MDA are engaged in a lawful strike, and where the
Company has not previously performed the work in
question. There shall be no prohibition against a concerted
refusal of employees of the Company to perform Struck
Work. Moreover, the Company will not hire employees of
Wholly Owned Carriers or MDA to perform Fleet Service
work at the Company during a period when the Fleet Service
employees are engaged in a lawful strike.
Article 3 - Recognition and Scope

A. The Company recognizes that Company Fleet Service work defined by this Agreement shall be performed by employees as described in the Article entitled Classifications.

B. Each station is identified as either a Class I or Class II for the purposes of applying this Agreement. Changes in classification of stations will be based on the timeframe outlined below. Stations classifications are defined as follows:

1. Class I stations shall be those stations that have one hundred forty (140) or more mainline scheduled jet departures weekly.

(a) In Class I stations, work which comes within the Fleet Service Classification as described in Classification Article, Paragraphs A.1, A.2, B., and C., will be performed by employees covered by this Agreement except where such work has been contracted out as of the effective date of this Agreement.

(b) In Class I stations, work coming within the Fleet Service Classification as described in Classification Article, Paragraph A.3, may be contracted out except that catering functions as described in the Classification Article, Paragraph A.3, may not be contracted out in PIT, CLT, PHL, DCA and BWI. Effective May 8, 2008, normal and customary Cargo work as described in Article 4.A.3 may not be contracted out in PHX, LAS and LAX.

(c) In Class I stations, work which comes within the Fleet Service Classification as described in Classification Article, Paragraph A.4, may be contracted out without restriction.
(d) When a Class II city becomes a Class I city as provided for in Paragraph B.4 below, all work which is described in the Classification Article, Paragraph A.1, will be performed by employees covered by this Agreement within ninety (90) days of the change of Class. With regard to all other work, the provisions of Paragraph B.1, will apply, except that work contracted out as of the effective date of the change in station class may continue to be contracted out.

2. Class II Stations: Class II stations shall be those stations that have fewer than one hundred forty (140) scheduled mainline jet departures weekly where the Company currently has Fleet Service staffing.

(a) The Company reserves the right to contract out work covered by this Agreement in Class II stations provided that such subcontracting does not directly result in the furlough to the street of any full-time IAM represented employee whose name appeared on the seniority list as a full-time employee on April 5, 1999. This provision will not apply to employees who fail to exercise their seniority to the fullest extent possible to any full-time position offered on the system.

(b) Other non-covered employees in Class II stations may perform work which comes within the Fleet Service Classification, provided such work does not exceed twenty-five percent (25%) of their scheduled work hours, on a quarterly basis. The Company will not use this provision in a manner which directly results in an increase in the number of positions in another craft or class and a corresponding decrease in the number of Fleet Service craft or class positions.
3. Change in Station Classification:

(a) Changes in city classification shall be based on a twelve (12) month weekly average, with the average to be calculated each year on April 5. All calculations for scheduled mainline jet departures will be based on US Airways, Inc., jet departures only, and excluding any aircraft with a seating configuration of sixty-nine (69) or fewer seats.

(b) Should a Class I station’s scheduled mainline weekly jet departures be reduced to a level below one hundred nineteen (119) on an annualized basis, such station shall become a Class II station.

Should a Class II station's scheduled mainline weekly jet departures increase to more than one hundred seventy-five (175) on an annualized basis, such station shall become a Class I station.

(c) Should a Class II station’s scheduled mainline weekly jet departures be reduced to a level of fifty-six (56) weekly departures on an annualized basis, the Company may outsource Fleet Service work in that station except for the period of May 8, 2008 through December 30, 2011, the Company will not outsource normal and customary ramp work.
as described in Article 4.A.1 at any station
where that work is being performed by Fleet
Service Employees of US Airways / America
West on of May 8, 2008, providing such
station maintains more than fourteen (14)
scheduled jet departures weekly calculated on
an annualized basis as described in (a) above.
Effective December 31, 2011, worked
described in Article 4.A.1 performed at any of
the following stations (ABQ, AUS, BUR,
ELP, OAK, OMA, ONT, RNO, SJC, SLC,
SMF, PDX, MSP, MCI, MKE, SEA, DEN
and SAN) may not be out-sourced unless the
station’s mainline weekly jet departures are
reduced to a level below twenty-eight (28)
weekly departures on an annualized basis.

(d) Should an outsourced station’s weekly
mainline departures increase to more than
ninety-eight (98) weekly departures on an
annualized basis, such station shall become
a Class II station. For the period of May 8,
2008 through December 30, 2011 the
Company will not be required to in-source
any work or station that is out-sourced on
May 8, 2008.

C. It is understood that the Company reserves the right to
contract out work, subject to the terms of this Agreement,
when the Company's personnel, equipment or facilities are
not sufficient or available.

D. Fleet Service work covered by this Agreement will not
include US Airways Express operations, or any regional jet
operations by the Company, except when and where so
directed.

E. Except as otherwise provided in this Agreement, employees
not covered by this Agreement shall not perform work
covered by this Agreement, other than in cases of irregular
airport operations, emergencies, or for the purpose of
instructing or training employees. A situation shall not be deemed to be an emergency within the meaning of this Paragraph where scheduled or overtime employees are reasonably available to adequately handle the requirement.

F. The Union recognizes that the Company shall have sole jurisdiction, subject to the terms of this Agreement, over the management and operation of its business, the direction of its working force, the right to establish rules and regulations, to maintain efficiency in its place of employment, and the right of the Company to hire, promote, demote, select for training, discipline and discharge employees. It is agreed that the rights listed here shall not be deemed to exclude other pre-existing rights of management not listed which do not conflict with other provisions of this Agreement.

G. The Company may use contractors to perform Fleet Service work where Company Charters are operated into non-IAM represented cities.

H. Job Protection – No furlough protection effective DOS: no employee will be furloughed to the street (providing the employee exercises his seniority to the fullest extent) as a result of any flight activity that may be transferred from LUS (Legacy US Airways) to LAA (Legacy American Airlines).

Cross Utilization – The Company may utilize LAA employees to perform LUS Fleet Service work at any location where IAM and TWU represent Fleet Service Employees. In exchange for the cross utilization provisions contained within this paragraph the Company agrees to provide additional job protections as defined below:

Extend the Letter of Agreement regarding flight activity as described in the LUS CBA until a JCBA is ratified. When the calculation is done under the CBA, the Company will count all Mainline Jet Departures of the combined LUS/LAA as part of that calculation.

See: MOU Station Classification Letter
Job Protection – No displacement: effective with the implementation of cross utilization at a specific station, no employee will be involuntarily displaced from that specific station.

The job protections described above will apply only to those employees whose names appear on the Fleet Service System Seniority List as of the date of ratification of this agreement and shall not apply in circumstances where the Company’s non-compliance is caused in substantial part by Conditions Beyond The Company’s Control.

Conditions Beyond The Company’s Control shall include, but not be limited to, the following: (1) an act of God; (2) a strike by any other company employee group or the employees of a Commuter Air Carrier operating pursuant to an authorized codeshare arrangement with the company; (3) a national emergency; (4) involuntary revocation of the company’s operating certificate(s); (5) grounding of a substantial number of the company’s aircraft; (6) a reduction in the company’s operation resulting from a decrease in available fuel supply caused by either governmental action or by commercial suppliers being unable to meet the company’s demands; and (7) the unavailability of aircraft scheduled for delivery.
**Article 4 - Classifications**

Fleet Service consists of the classifications of Fleet Service Lead Agent (Full-time and Part-time) and Fleet Service Agent (Full-time and Part-time). Fleet Service work consists of Ramp Service, Operations/Tower and Central Load Planning (CLP). Separate duty assignments may be established.

A. Ramp Service work includes:

5. When and where so directed: work associated with US Airways Express aircraft and other non-company aircraft, the operation of jetways, performing catering security checks, and any other station work.

B. Operations/Tower work includes normal and customary work associated with the communication required to coordinate station operations where such work is being performed by Fleet Service employees as of the effective date of this Agreement.

C. CLP work includes normal and customary work associated with the weight and balance, take-off weights and communication of such information including preparation and distribution of necessary paperwork, and other CLP related work.

D. Fleet Service Lead Agent work includes the same work as that of a Fleet Service Agent. In addition, as a working member of the group, they may be required to lead and direct the work of other Fleet Service Agents. Leading and directing may include but is not limited to:

1. Providing verbal input to employees related to their performance and/or behavior.

2. Providing verbal and/or written input to management related to an employee’s performance and/or behavior.

3. Temporarily resolving legitimate and serious personnel emergencies when management is not present or available.

4. Reasonable and customary administrative functions.

5. Instructing and training other employees where so directed.
In stations where Fleet Service Lead Agents are utilized, there shall be a minimum of one Fleet Service Lead Agent for every twelve (12) Fleet Service Agents. This calculation shall be based upon authorized station Fleet Service headcount excluding assigned baggage runner (ABR). This assignment minimum shall not apply to Lead Agents assigned to the CLP work area, where there shall be no minimum.

The classification of Lead Agent may include part-time Leads in former America West stations where there were part-time Leads or where the station has previously had part-time Leads, not to exceed a combined total of sixty-eight (68) part-time Leads. Stations may include: AUS, RNO, DEN, ICT, ABQ, SFO, SNA, SEA, COS, SJC, PDX, OAK, SAN, ELP, PHX, and LAS.

F. Employees may be cross-utilized in or between classifications and duty assignments under this Agreement based on the needs of service.

G. An open-time Agent is an employee who bids or is assigned a schedule, based on the needs of service and may be inclusive of any classification or duty assignment, or a mixture of classifications and duty assignments under this Agreement.

H. Where not in conflict with the terms of the IAM Maintenance and Related Agreement, Fleet Service employees may assist other employees not covered by this Agreement in through and turn-flight cleaning.

Fleet Service employees may be assisted by employees not covered by this Agreement in through- and turn-flight cleaning to maintain on time performance. It is not the intent
of this sub-paragraph to remove through and turn-flight cleaning from Fleet Service.

I. Deicing of aircraft and aircraft movement may be performed by Fleet Service or other employees or vendors.
Article 5 - Hours of Service

A. For purposes of computing pay, the workweek shall begin at 0001 hours Monday morning, and last through and until 2400 hours Sunday evening and includes any tour of duty that begins during this period. A standard work week will consist of five (5) scheduled work days, and two (2) consecutive scheduled days off, except when as a result of schedule rebids, employee shift swaps, open-time agents as described in Item B below and employees whose scheduled days off are Monday and Sunday.

The Company, with mutual agreement from the Union, may implement work schedules in a station consisting of four scheduled work days in a week (“four-day work week”). Once the Company has agreement from the Union to implement four-day work week schedules in a station, the Company will, at its sole discretion, determine which lines of work in the station may have a four (4) day workweek schedule and the time frame for implementation of any four (4) day workweek schedule. The Company may utilize a four (4) day workweek schedule in any duty assignment or for certain lines of work within any duty assignment which may be modified as determined by the Company. The Company may, at its sole discretion, discontinue the use of any four (4) day workweek schedule line(s) of work. Should the Company decide to discontinue the use of all four (4) day workweek schedules in a station, the Company will provide the Union a minimum of thirty (30) days notice. Where utilized, a four (4) day workweek will consist of four (4) scheduled work days and three (3) consecutive scheduled days off, except for those employees whose scheduled days off are Saturday, Sunday and Monday, or Sunday, Monday and Tuesday.

B. For open-time Agents, a minimum of four (4) scheduled days off must be provided within each two (2) week pay period, which may or may not be consecutive. The Company will make every effort to post open-time lines of work with two (2) consecutive days off each week. Where four-day work weeks are implemented, open-time Agents may be
scheduled for four (4) scheduled days and three (3) consecutive scheduled days off.

C. A work day shall be a twenty-four (24) hour period beginning at 0001 hours local time.

D. All time worked shall be considered as time worked on the day during which the employee’s regular shift began.

E. Shift periods for full-time employees shall be, unless otherwise specified herein, eight and one-half (8 1/2) consecutive hours, including a one-half (1/2) hour unpaid meal period. Shifts for full-time employees working a four-day work week shall consist of ten and one-half (10 1/2) hours, including a one-half (1/2) hour unpaid meal period.

F. Shift periods for part-time employees shall be a minimum of three (3) and a maximum of six and one-half (6 1/2) hours per day. When part-time employees are scheduled for three (3) or more continuous hours, that shift may be inclusive of a one-half (1/2) hour unpaid meal period. A part-time shift exceeding six (6) hours will be inclusive of a one-half (1/2) hour unpaid meal period. The Company will make every effort based on the needs of service to schedule part-time shifts of at least four (4) hours. Shifts for part-time employees working a four-day work week shall consist of a minimum of three (3) and a maximum of six-and-one-half (6 1/2) hours per day.

G. Full-time shifts will include one (1) paid twelve (12) minute break during the first half of the shift and one (1) paid twelve (12) minute break during the second half of the shift.

Part-time shifts of five (5) hours or less, that do not contain an unpaid meal period, will contain one (1) paid twelve (12) minute break during the scheduled shift. Part-time shifts of more than five (5) hours, that do not contain an unpaid meal period, will contain two (2) paid twelve (12) minute breaks.
H. Employees will be allowed an unpaid meal period not to exceed thirty (30) minutes as follows:

1. **For an employee working a full-time shift of eight-and-one-half (8 1/2) hours** the Company will make every effort to schedule a meal period within ninety (90) minutes before or after the midpoint of their scheduled shift. **For an employee working a full-time shift of ten-and-one-half (10 1/2) hours** the Company will make every effort to schedule a meal period within one hundred twenty (120) minutes before or after the midpoint of their scheduled shift.

2. **An employee working a full-time shift**, who is unable to take a meal period within the foregoing time span, will be provided a thirty (30) minute lunch period as close to the lunch period as possible.

3. **An employee working a shift** containing a meal period but who is unable to take the meal period due to Company requirements, will receive an additional thirty (30) minutes pay at the applicable rate.

I. In the event that circumstances beyond the Company's control, e.g., acts of God, strikes, etc., cause the operation to be reduced or stopped, the Company may remove employees from the payroll without obligation of pay or severance. In circumstances where the operation is reduced or stopped, the Company will attempt to contact employees prior to the start of their shift to inform them not to report for duty. In the event contact is not made prior to the start of the employee’s shift, full-time employees who have reported for work will be offered up to four (4) hours of work before being released. Part-time employees, who have reported for work under the above provisions, will be offered up to two (2) hours of work before being released. Employees will be paid for actual hours worked.

J. Separate work schedules will be posted for each applicable duty assignment. Award of work shifts, including scheduled
start time, shift length and scheduled days off, shall be based on classification seniority.

**K. Employees will be given a minimum of fourteen (14) day’s notice when a schedule rebid is to take place.** Work schedules are posted for bid by active employees, as far in advance as practical, or a minimum of seven (7) calendar days. The posting shall contain the scheduled start time, shift length, scheduled days off and effective date. Once the bidding process is completed, schedule bid awards will be posted a minimum of seven (7) calendar days prior to the effective date of the new work schedule. Employees unavailable to bid at their appointed bidding time, may bid by proxy, or by other means established locally.

Active employees who fail to bid will be assigned by classification seniority an available work schedule within the duty assignment after completion of the bid. Active employees who report late for bidding, but while the bidding process is ongoing, will be permitted to bid on remaining available lines at the time they report.

An employee on an authorized leave of absence or off due to occupational injury will be permitted to bid in a rebid of the work schedule provided the Company receives, prior to the start of the bidding period, a notice certifying his return to work date which must be within thirty (30) days of the effective date of the bid. If the leave is for medical reasons, the certification of return to work must be signed by the employee’s treating physician.

**L. There shall be no rotation of shifts.** All shifts will be fixed; however, each scheduled line of work may contain multiple start times.

**M. Work schedules will be rebid based on the needs of the service, approximately every one-hundred-twenty (120) days, or a minimum of three (3) times per calendar year.**

**N. During a bid period, if it becomes necessary to temporarily adjust employees' work schedules, duty assignments,**
scheduled start times or scheduled days off, the following procedures shall apply:

1. When it becomes necessary to adjust scheduled days off; employees subject to adjustment will be given a minimum of five (5) calendar days notice.

2. When it becomes necessary to adjust scheduled start times, employees subject to adjustment will be given a minimum of forty-eight (48) hours notice.

3. Employees may be reassigned between duty assignments and job assignments on a given shift based on the needs of the service.

The Company will identify the affected employees, considering existing staffing levels in classifications, job assignments/duty assignments, starting times, and/or days off. Schedule adjustments and reassignments involving changes to shift start times, and/or days off be offered to affected employees in seniority order. Where there are insufficient volunteers, employees will be assigned in reverse seniority order.

In the event that these adjustments are expected to exceed thirty (30) days in duration, within the first thirty (30) days of such adjustment, the Company shall post the fourteen (14) day notice for a work schedule rebid for the affected duty assignment as provided in Paragraph K above.

O. The Company will establish as necessary the number of Lead Fleet Service Agents and Fleet Service Agents for the needs of the service on each shift in all duty assignments at any station, subject to the terms of this Agreement.

P. Employees returning to active duty from an authorized leave of absence or occupational injury will be assigned to their previous duty assignment. Such employees who were not permitted to bid the most current work schedule may be assigned a shift and days off within their duty assignment consistent with their seniority. If needs of service do not
allow the employee to be assigned a shift and days off consistent with their seniority, the Company will rebid the work schedule within thirty (30) days.

**Q.** Employees transferring or displacing into the classification or duty assignment who were not permitted to bid the most current work schedule will be permitted to request, but may be assigned an available work schedule (shift start times and scheduled days off) within the duty assignment until the next work schedule rebid.

**R.** Employees temporarily assigned to a higher classification shall receive the higher rate of pay for all time worked in such classification. Employees temporarily assigned to a lower paying classification shall not have their rates of pay reduced.

**S.** Shift Trades

An employee may trade shifts or days off with another qualified (as determined by local management) employee in accordance with the following provisions:

1. The request must be in writing and signed by both employees involved (or submitted electronically where a location utilizes workbrain or a similar electronic reporting method). The request shall be submitted for approval to the immediate supervisor, or his designee, of the employee who initiates the shift trade.

2. The Company may at each location establish deadlines for submitting shift swaps, but such deadline will not be earlier than 4:00 p.m. local time for any shift trade to be effective the following day. Local management may approve shift trade requests outside the established deadline.
3. Employees who trade shifts become responsible to work the shift so agreed to as if it were part of their regular work schedule.

4. Probationary employees are not eligible to participate under these provisions.

5. No overtime payment will be paid to an employee as a result of working another employee's shift under these provisions.

6. No request under these provisions shall be honored if found to be in conflict with state or federal law. This Paragraph shall immediately apply in any jurisdiction which may hereafter impose restrictions or require such overtime payment for such hours of work.

7. An employee who has agreed to work for another employee may trade the entire obligation to one (1) other employee. This shift trade will count towards the quarterly maximum as described in paragraph 10 below, and the shift cannot be further traded.

8. Shift trades resulting in an overlap of up to one-half (1/2) hour may be approved subject to the needs of service.

9. Employees may work a maximum of sixteen (16) hours during a twenty-four (24) hour period as a result of shift trades, excluding meal periods. Employees will not be permitted to work double shifts (twelve (12) hours or more) on consecutive days as a result of shift trades except as provided for in the Letter of Understanding regarding ‘Back to Back Shifts’ dated March 10, 2003.

10. Employees may shift swap off their regularly scheduled shift up to twenty-six (26) times per calendar quarter. Local policy may be less...
11. Employee shift swaps between classifications will be allowed.

12. Employees may trade their full shift or a portion thereof, with no more than two (2) employees. The minimum partial-shift trade will be one hour. Partial trades must be in one-half (1/2) hour increments. Any partial-shift trade counts as one towards the allowable quarterly shift trade maximum.

13. Shift trade start time exchanges on the same day will not count toward the twenty-six (26) quarterly shift swaps provided the starting times exchanged are both within the same shift premium starting time period (e.g., Shift 1 to Shift 1 or Shift 2 to Shift 2).

14. In circumstances where shift trades have been approved and where any employee who is scheduled to work for another employee is unable to do so, (e.g., due to leave of absence, transfer, termination, jury duty, schedule rebid, training, etc.), the Company reserves the right to cancel an approved shift trade provided seven (7) days notice is given to affected employees.

15. Employees will be permitted to use accrued compensatory time to be compensated for approved shift swap off hours provided the employee requests the compensatory time at the time the shift trade is submitted for approval.

T. In cases where an employee is required to work a shift beginning less than eight (8) hours subsequent to the end of the day immediately preceding, the employee may elect to have the scheduled start time of his next shift adjusted to provide an off-duty period of a minimum of eight (8) hours.
Employees electing to adjust the start time of their next shift may elect to extend their shift to provide for a full shift or to end their shift at the original end time of their shift and will be paid for hours worked. This Paragraph does not apply when the reduced rest period is a result of schedule rebids, shift swaps or voluntary overtime.
**Article 6 - Overtime**

A. The Company shall determine the number of overtime hours to be worked. Overtime hours are defined as additional hours worked at the Company’s request over and above an employee's scheduled hours.

B. Where the Company determines that overtime is required, such overtime will be offered to qualified employees on an equalized basis. All eligible employees will be considered available for overtime.

C. Employees will be equalized for actual overtime hours worked and, if signed up on the overtime availability list, for actual overtime hours offered and refused and for those overtime hours for which the signed up employee could not be contacted, **up to a maximum of sixteen (16) hours per day**. Employees who do not sign up on the availability list will not be charged any hours eligible to work for the purpose of equalization unless they work the overtime. **Daily overtime totaling less than thirty (30) minutes will not be charged for equalization purposes**. A list will be established for each duty assignment and only those employees signed up will be contacted. Separate lists will be maintained for Lead Agents.

D. Shift extension is overtime which is anticipated to be four (4) hours or less and is not the result of a part-time vacancy or absence. Shift extension overtime will be offered to those employees whose shift begins or ends closest to, but within four (4) hours, of the expected overtime need.

Shift extension will be offered in the following order:

1. • Employees in the duty assignment and classification  
   • Signed up on the availability list

Part-time overtime shall be offered in the following order:
1. Part-time employees in the classification and duty assignment
   • Signed up on the availability list
   • Having the lowest equalization

2. Qualified part-time employees in the classification but outside the duty assignment

7. a. Employees in the duty assignment
   b. On a voluntary basis
8. • Qualified employees outside the duty assignment
   • On a voluntary basis

9. • Mandatory assignment as described in Paragraph U of this Article.

G. Employees are considered eligible for overtime except when:

1. Not available to work the entire overtime period (A one-half (1/2) hour overlap of the scheduled shift and overtime period shall be permitted except when needs of service do not permit. The one-half (1/2) hour overlap will be paid as part of the regular shift, and will not be considered part of the overtime shift);

2. Scheduled off for an entire shift for vacation, voluntary time off (VTO), training, authorized Company business, authorized Union business, jury duty, compensatory time, sick leave (paid or unpaid), any type of leave of absence (paid or unpaid), disciplinary suspension, bereavement leave, occupational injury leave (paid or unpaid), or mandatory reservist training with orders. In these instances employees will be ineligible for the entire day except that they may volunteer to work prior to mandatory assignment overtime;

3. Not qualified to perform the overtime work offered.

H. Open-time employees, on scheduled work day, are considered for overtime within the classification and duty assignment they are working. An open-time employee on a scheduled day off will be considered available for overtime offered within the duty assignment the employee last worked on a regularly scheduled work shift except that shift trades are not considered.
I. Transferred employees including change of station, in-station transfers, part-time to full-time, full-time to part-time and new employees, will use the average overtime hours in their new duty assignment for the purpose of equalization.

Employees absent for more than twenty-one (21) consecutive days will upon their return to work be assigned the average of the overtime equalization list or their previous overtime hours which ever is greater.

J. If two or more employees have the same equalization within the provisions as outlined in Paragraphs D., E., or F. of this Article, the overtime will be offered to the senior employee.

K. When conditions change which would no longer necessitate the overtime that has been awarded to an employee, such overtime may be canceled provided a minimum of four hours’ notice is given. In the event overtime is canceled with less than four hours' notice, the employee awarded the overtime shift will be offered to work a minimum of four (4) hours or the duration of the overtime period offered, whichever is less, at the applicable rate. This provision is not applicable to same day shift extension overtime which may be canceled at any time.

When an error in overtime distribution is discovered four (4) hours or less prior to the start of the overtime shift, the employee originally awarded the overtime shift will be offered to work a minimum of four (4) hours, or the duration of the overtime period offered, whichever is less, at the applicable rate. In addition, the Company will attempt to contact the correct employee in accordance with paragraph M. below who will be offered to work the original overtime shift.

L. Employees who accept overtime will have thirty (30) minutes in which to relinquish the award. Following the thirty (30) minute period, employees will be responsible to work the overtime shift and may not trade this obligation with another employee.
Overtime equalization lists will be reset quarterly and maintained by duty assignment. Employees' names shall be listed in classification seniority order on all overtime equalization lists. **Overtime equalization lists will be posted in each station on a daily basis.**

1. Prior to making an overtime call, the Company will make available to the Shop Steward or Assistant Shop Steward a copy of the appropriate overtime distribution list. When no Shop Steward or Assistant Shop Steward is present, a copy of the list will be made available to the Lead Agent. Once the list has been made available, the Company will proceed to call overtime.

2. Employees will be contacted at the phone number on the equalization list or the availability list, **or may accept overtime in advance per local policy.** It will be the employee's responsibility to insure that these lists have the correct phone number indicating that the employee is to be contacted.

   **In the event of a no-answer or a voicemail answer for an employee who is on duty, the company will provide the employee a period of ten (10) minutes in which to respond. The company will continue to distribute available overtime shifts, but will reserve a number of like overtime shifts (same shift start time and duration) equal to the number of no-answers for on-duty employees, until each ten (10) minute time period expires.**

3. In the event of "no answers” **or a voicemail answer,** a second call will be made prior to moving on to the next employee on the list.

4. When overtime is offered the Company will make every effort to advise the employee of the duty assignment and where practical the work area within the duty assignment.
N. An employee bypassed for overtime in violation of these overtime procedures will be eligible to work a like period of time on a scheduled shift at a time selected by the employee. The bypassed employee will be limited to only the employee who should have been offered the overtime as provided for in this Article.

The shift will be at the same rate of pay as bypassed, contain the same number of hours as those bypassed and must be worked within fourteen (14) calendar days of the determination that the bypass occurred. The Company will determine the work duty assignment.

O. The Company may prohibit any employee from working overtime where it would result in more than sixteen (16) continuous hours excluding unpaid meal periods. Employees who have worked sixteen (16) continuous hours may not be assigned additional overtime unless such overtime is due to an emergency situation.

P. A daily overtime qualifier will be used to determine premium rates on work days. Workdays are defined as regularly scheduled or “shift swap worked” days.

1. There will be a minimum daily eight (8) hour overtime qualifier which must be satisfied prior to being eligible for overtime premium rates for hours worked at Company request on a scheduled workday. Employees are paid straight time rates for regularly scheduled hours worked and shift swap hours worked, regardless of the length of the shift.

2. The daily qualifier for determining overtime premium eligibility will include all regularly scheduled hours worked, plus any shift swap hours worked, and additional hours offered by the Company worked at straight time rates up to a combined maximum of eight (8) hours.
3. After the daily overtime qualifier has been met, overtime will be paid at one and one-half times (1 1/2 x) the regular rate.

Q. A weekly overtime qualifier will be used to determine premium rates on days off. Days off are defined as “regularly scheduled” or “shift swap off” days.

1. There will be a weekly forty (40) hour overtime qualifier which must be satisfied prior to being eligible for overtime rates on any day off.

2. The forty (40) hour weekly overtime qualifier will only include regularly scheduled hours worked, additional hours offered by the Company worked at straight-time rates, lost time hours for Union business, paid vacation hours including day-at-a-time vacation (DAT), paid compensatory time off, plus shift swap hours worked not to exceed the total of shift swap off and VTO hours.

3. After the weekly overtime qualifier has been met, overtime will be paid at one and one-half times (1 1/2 x) the regular rate for the first eight (8) hours of overtime worked and two (2) times the regular rate for all overtime hours worked thereafter except as provided for in items 4 and 5 below.

4. Employees must work a minimum of four (4) hours at an overtime premium rate on their first regularly scheduled day off in order to be paid two (2) times the regular rate for all overtime hours worked on their second (or third) regularly scheduled day off.

5. Employees who shift trade to be off and who work on the day off, shall be paid a maximum rate of time and on-half (1 1/2) for the first eight (8) hours of overtime worked and two (2) times the regular rate for all overtime worked thereafter.
R. An employee who shift trades into a duty assignment different from their scheduled duty assignment will be considered for overtime based upon their originally scheduled duty assignment.

S. All overtime shall be computed in one (1) minute increments.

T. A one-half (1/2) hour unpaid meal period will be provided to an employee working an overtime shift in excess of five and one-half (5 1/2) hours.

U. Mandatory Assignment of Overtime

Mandatory overtime will only be used when the Company determines it is essential to meet the minimum needs of service and all voluntary options will be exhausted prior to utilizing mandatory overtime.

1. Required Coverage Period of Four Hours Or Less

When the required coverage period is expected to be four (4) hours or less, the additional hours will be assigned to employees in reverse order of seniority, in the following order.

- Part-time employees within the duty assignment whose shifts begin or end within one (1) hour of the required coverage period.
- Full-time employees within the duty assignment whose shifts begin or end within one (1) hour of the required coverage period.
- Qualified part-time employees outside the duty assignment whose shifts begin or end within one (1) hour of the required coverage period.
- Qualified full-time employees outside the duty assignment whose shifts begin or end within one (1) hour of the required coverage period.
- If no employees fall within the above parameters, then the distribution procedure described in Paragraph U.2, will apply.
In the above situations, employees may actually be assigned hours in excess of four as a result of the start/end time of their shift and the start/end time of the required coverage period. When this occurs, it is not a violation of this section of the policy so long as the required coverage period was expected to be four hours or less.

2. Required Coverage Period In Excess Of Four Hours

When the required coverage period is expected to be in excess of four hours, the additional hours will be assigned to eligible employees in reverse order of seniority in the following order:

- Part-time employees within the duty assignment.
- Qualified part-time employees outside the duty assignment.
- Full-time employees within the duty assignment.
- Qualified full-time employees outside the duty assignment.

3. Rotation of Mandatory Assignment

A rotation method for the assignment of mandatory overtime may be established locally when the Company determines that mandatory overtime may be frequently required during specified periods of time. The rotation method used will be mutually agreed to by the Company and the Union.

4. The Company will make reasonable efforts to give employees a minimum of one (1) hour notice for mandatory overtime.
Article 7 - Seniority

A. Date of Hire Seniority is defined as continuous US Airways service in any department and shall be applied to: vacation accrual, boarding for on-line non-revenue space available travel, and service awards. Adjustments to Date of Hire Seniority based on past seniority policies will remain in place. After the effective date of this Agreement, there will be no adjustments to Date of Hire Seniority.

B. Classification Seniority is defined as continuous service in Fleet Service, in any classification group and applies to both Fleet Service Agents and Fleet Service Lead Agents. Classification Seniority will be applied to bidding of shifts/days off, bidding of vacation periods, filling of vacancies, and displacements/recalls. Adjustments to Classification Seniority based on past seniority policies will remain in place. Employees who transfer into any Fleet Service Classification group will begin accruing Fleet Service Classification Seniority on the first day worked in Fleet Service.

C. Pay Date Seniority shall be the same as Classification Seniority except that Pay Date Seniority is adjusted for all time lost due to an unpaid leave of absence; for all unpaid suspensions extending beyond thirty (30) days. Military leave will not result in an adjustment to Pay Date Seniority. Adjustments to Pay Date Seniority based on past seniority policies will remain in place. Employees on involuntary furlough on May 31, 2008 shall forfeit all pay date seniority except that an employee who is recalled to the station from which he was furloughed (or their selected recall station) prior to November 3, 2008 will be placed in the pay scale consistent with their pay date seniority at date of furlough.

D. When two or more employees have the same seniority date, the following method will be used to determine the seniority order:
1. Identical Classification Seniority - the senior employee will be the employee with the earliest Date of Hire Seniority.

2. Identical Date of Hire Seniority - the senior employee will be the employee who has the highest four digit number using the last four digits in his social security number.

E. An employee covered by this Agreement will lose his seniority status and his name shall be removed from the seniority list under the following conditions:

1. He quits, resigns, or retires.

2. He is discharged for just cause.

3. He does not return from furlough within fifteen (15) days of receipt of notice, or within fifteen (15) days of the mailing of such notice if the notice is undeliverable due to the employee's failure to keep the Company apprised of his current mailing address and telephone number.

4. His recall rights expire.

5. He does not return from a Leave of Absence within the scheduled period.

6. As otherwise provided in this Agreement.

F. All recall notices sent to furloughed employees will be delivered via certified mail, return receipt, or via telegram to the employee at the last address filed by the employee with the Company.

G. Shift Managers within the Customer Service group shall retain but not accrue all previous Fleet Service Classification and Pay Seniority. These employees will be eligible to utilize all retained Classification Seniority to return to the bargaining unit in the event of a reduction-in-force, or failure
to pass probation in the new position provided their retained seniority places them senior to the junior full-time employee in the location. If not senior to the junior full-time employee in the station, these employees will be eligible to return to the bargaining unit on a system displacement. Additionally, with Director approval, these employees will be eligible to use accrued previous Classification and Pay Seniority to bid for system vacancies in the event of a voluntary or involuntary demotion.

Managers in positions within the Customer Service group higher than shift manager shall forfeit all previous Fleet Service Classification and Pay Date Seniority.

**Paragraph G. is also applicable to furloughed employees who accept manager positions within the Customer Service group.**

**H.** Employees who transfer to positions outside the bargaining unit, other than those described in Paragraph G. above, shall retain, but not accrue, all previous Fleet Service Classification Seniority and Pay Seniority for a period of six (6) months following such transfer. Employees who wish to return to a Fleet Service position within six (6) months of the effective date of their transfer from Fleet Service or who are affected by a reduction-in-force, demotion, or failure to pass probation in the new position within this six (6) month period, will be eligible to utilize all retained Classification Seniority to return to their former position and location provided a vacancy exists in their former classification group. Under this Paragraph a vacancy is deemed to exist when the actual compliment of employees is below the authorized number and no award has been made to fill the vacancy. When no vacancy in their former location exists, employees will be eligible to bid for system vacancies during the six (6) month period. Following this six (6) month period these employees shall forfeit all previous Fleet Service Classification and Pay Date Seniority. **This paragraph is also applicable to furloughed employees who accept positions higher than a first line supervisor.**
A furloughed Fleet Service employee who accepts a position outside the bargaining unit as a first line supervisor or below, excluding those described in Paragraph G. above, will continue to accrue Fleet Service Classification Seniority and will continue to maintain, but not accrue, all previous Pay Seniority for the duration of their recall. Should their recall rights expire or they refuse recall, they forfeit all previous fleet service classification and pay seniority.

I. A system wide Fleet Service roster will be made available electronically or posted twice a year by no later than the last day of January and July each year. Seniority lists will indicate the employee's name, payroll identification number, Classification Seniority, Date of Hire Seniority, and last four digits of the employee's Social Security Account Number for each Fleet Service employee and include their domicile city. Station seniority lists will be posted at each Fleet Service work location at the same time as the system seniority roster reflecting local seniority order adjustments based on past policies that were in effect prior to this Agreement. Copies will be provided to the IAM Assistant General Chairman.

J. Employees who wish to protest any omission or incorrect posting of their seniority must do so by filing a written grievance within thirty (30) days of the date of the most recent seniority roster posting. Seniority protests will be strictly confined to errors, changes or omissions which occurred on the most recent seniority posting only. Any employee on leave at the time of posting of the list shall have a period of fifteen (15) days from the date of his return to service to file a protest.

2. Full-time employees who have completed two (2) or more years of service, based on Hire Date, on the date furloughed will receive furlough allowance at the rate of one (1) week's pay for each completed year of service, up to a maximum of fifteen (15) weeks. A week of furlough allowance is computed on the basis of the employee's base straight time hourly rate at the time of furlough, multiplied by forty (40) hours.

3. Part-time employees who have completed two (2) or more years of service, based on Hire Date, on the date furloughed will receive furlough allowance at the rate of one (1) week's pay for each completed year of service, up to a maximum of ten (10) weeks. 4. Furlough allowance is paid in successive pay periods immediately following the effective date of the furlough until the employee has returned to work or the entitlement is exhausted, whichever occurs first.
B. Furloughed employees will receive a lump sum payment for accrued, unused vacation days. This payment will be made at the later of the employee’s final paycheck or the employee’s final furlough allowance payment. B. Any information obtained by or as a result of a Company's medical examination shall be strictly confidential between the Company, its insurance carriers, the Company's doctor, and the employee, and shall not be divulged to any other person without the written permission of the employee.

C. Any employee who fails to pass a Company medical examination shall, at his option, have a review of his case as follows:

and neutral medical examiner, preferably a specialist, for the purpose of making a further medical examination of the employee to determine his fitness for duty.

4. The said neutral medical examiner shall then make a further examination of the employee in question, and the case shall be settled on the basis of such findings. Copies of such medical examiner's report shall be furnished to the Company and to the employee.

5. The expense of employing a neutral medical examiner shall be borne one-half (1/2) by the employee and one-half (1/2) by the Company.

Such application must be accompanied by a physician's explanation of the condition, physical limitations, prognosis for recovery and the length of time the employee will be out of work.

Approved leaves will be for a period of not more than ninety (90) days. Extensions of ninety (90) day increments will be considered when accompanied by the required documentation. Any employee who remains on leave status in excess of three (3) years shall be deemed to have resigned his position, and shall be removed from the seniority roster.

D. Personal Leave: A request for a personal leave of absence shall be considered on its merits, and balanced against the needs of the service. The Company may require such leave to run concurrently with Family Medical Leave. Application
for such leave will be made on the Company specified form and submitted to the Company, with a copy to the local Union representative. Such leave of absence, if granted, will be for a period of not more than ninety (90) days. Subject to the same criteria, the employee may be eligible for one (1) ninety (90) day extension.

E. Adoption Leave: An employee who chooses to adopt a child may request an unpaid adoption leave of absence. The leave will be granted if the adoption agency and/or adoption laws governing the geographical location where the employee resides require that the employee does not work for an additional specified period of time after having taken custody of the child. Evidence of such requirement must be presented to the Company at the time the written request for the leave is made. The leave will commence on the date the employee takes custody of the child and will continue until a court of competent jurisdiction issues, or refuses to issue, a decree declaring the employee the legal parent of the child. The Company may require such leave to run concurrently with Family Medical Leave.

The employee will receive the difference between his regular pay and the actual payment received for jury duty (excluding expense reimbursement). Employees must provide proof of jury duty service and verification of the amount of payment received to the Payroll Department immediately upon receipt of jury duty payment.

Employees assigned to jury duty will not be required to report for work on any day that the jury duty work requires more than two (2) hours. While serving on jury duty, should the employee be released within two (2) hours of reporting for such duty, he will be required to report for work to complete the remainder of his shift for the day.

Employees will remain on their normal shift and scheduled days off, except when jury duty extends beyond five (5) calendar days. In these instances, scheduled days off will be
reassigned to Saturday and Sunday for the duration of the jury duty.

G. **Military Leave:** Employees will be permitted unpaid leave from the Company for military service. Terms and conditions of the leave, and the return to duty, will be those established by law.

Employees working a four day workweek will receive a maximum of eight (8) paid working days off within a fourteen (14) calendar day period in a calendar year for reservist training that will not count against the employee’s vacation. **Employees in reservist training as described herein will be considered on active status for the purpose of vacation and sick leave accrual during reservist training.** The Company will pay the employee the difference between his regular pay, excluding shift premium, and the amount received from the military. Employees will be required to provide the Company with a copy of their reserve training orders and will be required to submit to the Company proof of the amount of pay received from the military within seven (7) days after the employee returns. This amount (excluding expenses) will be deducted from the employee’s next pay check.

J. An employee on a leave of absence who engages in other employment or uses the time of leave for purposes other than that for which it was granted without specific written consent from the Company or does not provide management with current information as to their status upon request or does not return upon completion of the approved leave, will be deemed to have resigned and his name will be stricken from the seniority roster.

K. Political Leave: Any employee elected or appointed to a full-time Federal or State governmental office will be granted a political leave of absence not to exceed the term of office, or subsequent reelection or reappointment. The application for a political leave must be made in writing to the Company, with a copy to the Union. Employees earn sick leave per calendar month for the months of January, March, April, May, July, August, September, November and December up to a maximum of seventy-two (72) sick leave hours per year for full-time employees and nine (9) sick leave days per year for part-time employees. There will be a maximum accrual cap of one thousand, four hundred (1,400) hours for full-time employees, and one hundred seventy-five (175) days for part-time employees in an employee’s sick leave bank. To be eligible for sick leave accrual for the month, an employee must be active (not on a paid or unpaid leave of absence including occupational injury) for the majority of days in the calendar month. Employees receiving furlough allowance will not be eligible to accrue sick leave.

1. Eligible full-time employees accrue eight (8) hours of sick leave for each accrual month whether working a five (5) day, or a four (4) day workweek and regardless of the shift length. Sick leave is to be used in accordance with Paragraph B. below.

B. Accrued sick leave is used to compensate employees for absences due to personal illness, or injury only (off the job). Sick leave will not be used to supplement statutory benefits for OI. Employees eligible to use accrued sick time will be paid at fifty percent (50%) of the employee's scheduled hours for the first (1st) sick day of each occurrence and decremented at a fifty percent (50%) rate. Full-time employees who have six hundred (600) or more hours in their sick leave bank on the date of the sick leave occurrence and part-time employees who have seventy-five (75) or more days in their sick leave bank on the date of the sick occurrence will be paid one hundred (100%) percent and
Article 13

<td>0.5 day</td>
</tr>
<tr>
<td>3 to 6 hours</td>
<td>1.0 day</td>
</tr>
<tr>
<td>More than 6 but less than 9 hours</td>
<td>1.5 days</td>
</tr>
<tr>
<td>9 to less than 12 hours</td>
<td>2.0 days</td>
</tr>
<tr>
<td>12 to less than 15 hours</td>
<td>2.5 days</td>
</tr>
<tr>
<td>15 or more</td>
<td>3.0 days</td>
</tr>
</tbody>
</table>

3. Notwithstanding Paragraph B.2 above, a part-time employee, eligible to use sick leave, with regularly scheduled shifts of less than three (3) hours will have one (1) sick leave day deducted from his sick leave bank when absent for his regularly scheduled shift.

C. Sick occurrences under these procedures may subject employees to departmental attendance control procedures. An employee reporting off work sick is required to notify his supervisor (or designee) and disclose the nature of the unscheduled absence as far in advance as possible, but no later than the time established by local management. Employees will not be compensated when unscheduled absences are not reported within the established timeframes, however, such absences will be considered an attendance occurrence.

D. Employees covered by this Agreement and the Union recognize the obligations of employees of being truthful and honest in preventing unnecessary absences or other abuses of
sick leave privileges. Employees may be required to present confirmation of illness and the Company reserves the right to require, when in doubt of *bona fide* claim, a physician’s certificate to confirm such sick claim. Abuse of sick leave privileges may subject the employee to disciplinary action up to and including termination.

E. Employees are required to exhaust all paid leave prior to being placed on unpaid medical leave for non OJI( and non-FMLA), and are required to exhaust all paid leave, including accrued vacation, for non-OJI approved FMLA prior to being placed on unpaid medical leave. Employees may not use sick leave to supplement OJI medical leave but must use accrued vacation for FMLA OJI and may use accrued vacation for non-FMLA OJI.

F. Employees on a medical leave of absence will not continue Company paid benefits beyond one hundred twenty (120) days from their last paid date, except that employees on medical leave as a result of an occupational injury will have medical/dental benefits extended for nine (9) months after the last compensated day provided the employee continues to pay his/her portion of the cost.

G. Employees who have more than one hundred seventy-five (175) days in their sick leave bank will maintain the higher amount and will not accrue sick leave days until such time that the employee’s available sick leave bank is reduced below the one hundred seventy-five (175) day maximum cap.

H. Full-time employees transferring to part-time, or displaced to part-time, will have their full-time sick leave converted to part-time by dividing the number of full-time sick leave hours by four (4) on the effective date of the transfer. The result is the number of days in the employee’s part-time sick leave bank. If the result exceeds one hundred seventy-five (175) days, the employee will maintain the higher amount and will not accrue sick leave days until such time that the employee’s available sick leave bank is reduced below the one hundred seventy-five (175) day maximum cap.
I. Part-time employees transferring to full-time, or recalled to full-time, will have their sick leave converted to full-time by multiplying the number of part-time sick days by four (4) hours on the effective date of the transfer. The result is the number of hours in the employee’s full-time sick leave bank.

The holidays affected by the Federal Holiday Act are observed on the date established by Federal Law. Employees receiving furlough will not be eligible for holidays.

B. When a full complement is not required on a holiday, the day off is offered on a basis of classification seniority within the classification, duty assignment, and starting time of the shift. Requests for the day off must be received at least fourteen (14) calendar days prior to the holiday.

C. For pay purposes the holiday period shall be the twenty-four hour period beginning at 0001 local time and will include all consecutive time worked for any shift begun during this period.

D. An employee on active pay status who is scheduled to work on a holiday and fails to work due to illness or injury shall receive holiday pay computed at his straight time rate (excluding shift premium) for that day. There shall be no charge to his accrued sick leave. The unscheduled absence will be an attendance occurrence.

E. If a holiday falls within an employee’s vacation period, he will receive holiday pay as outlined in paragraph F. below in addition to vacation pay.

F. Employees will receive straight-time pay for regularly scheduled hours worked on a holiday. In addition each employee on active pay status will receive holiday pay for holidays at his regular rate of pay or such employee may elect to receive compensatory time as provided for below and in Paragraph G. of this Article. Holiday pay is defined as follows:
1. For full-time employees holiday pay will be equal to eight (8) hours of pay, or converted to eight (8) hours of compensatory time, whether working a five (5) day workweek, or a four (4) day workweek and regardless of the shift length.

2. For part-time employees scheduled to work, holiday pay will be equal to the number of paid hours the employee was scheduled to work or converted to an equal number of compensatory time hours. For part-time employees not scheduled to work, holiday pay will be equal to the daily average of regularly scheduled paid hours for the week.

G. Compensatory time may be accrued up to a maximum of eighty (80) hours as described in Paragraphs F.1 and F.2 above. Requests for compensatory time off must be submitted subject to local policy and will be granted based on the needs of service.
Article 15 - Vacations

A. During the first calendar year of service, full-time employees earn eight (8) hours of vacation, and part-time employees earn one (1) day of vacation, for each full calendar month of employment, up to a maximum of eighty (80) hours for full-time and ten (10) days for part-time (no days are earned in June or October). In the first month of hire, credit will be given if hired on or before the fifteenth (15th) of that month. Probationary employees are not eligible for vacation credit or accrual until completion of probation, at which time accrual will be retroactive.

B. Following the employee’s first calendar year of service, the amount of vacation earned increases as the employee begins the years of service designated in 15.B.1 and 15.B.2 below:

(Note: Employees do not accrue vacation in the 5 months of June and October.)

C. To be eligible for vacation accrual for the month, an employee must be active (not on a paid or unpaid leave of absence including occupational injury) for the majority of days in the calendar month. Employees receiving furlough allowance will not be eligible to accrue vacation.

D. Vacation pay is computed at the employee’s regular rate of pay. For full-time employees a vacation day will be equal to the scheduled hours for the day.

1. For part-time employees, the vacation day will be equal to the number of paid hours for which the employee was scheduled to work.

2. For part-time open-time employees, vacation pay for each vacation day during the vacation period will be equal to the daily average of the regularly scheduled paid hours the previous week. For a DAT vacation day, the day will be equal to the number of regularly scheduled paid hours for which the employee was scheduled to work.

E. In Class I stations, Vacations will be bid separately for full-time and part-time employees and will be awarded on a classification seniority basis. In Class II stations, vacations for full-time and part-time employees may be bid together and will be awarded on a classification seniority basis. The
number of employees from each classification/duty assignment permitted off at any time may be restricted based on the needs of service. Vacation bids may be bid separately by classification and/or duty assignment.

F. Vacations will be bid for the full calendar year and must be posted and bid by December 15 of the prior year. Vacations will be bid in full week increments on a single round basis and will be posted with all weeks beginning on Mondays.

G. Eligible full-time employees may elect to use up to one-hundred-twenty (120) hours, and eligible part-time employees may elect to use up to fifteen (15) days, of earned vacation time to be taken as Day-At-a-Time (DAT) vacation as provided for in Paragraph M. Prior to bidding vacation for the following year, employees will be required to designate the number of vacation weeks they will bid and the number of DAT hours/days they will set aside.

H. Awarded vacations periods will be scheduled concurrent with the employee’s regularly scheduled days off. These vacation periods will be assigned before or after the scheduled days off, so that the majority of the vacation days fall during the week that was awarded. Regularly scheduled days off for an open-time employee for an awarded vacation period will be Saturday and Sunday. The Company will adjust an open-time employee’s days off for the week following the vacation period to be Monday and Tuesday, if the employee was unable to successfully bid either Saturday and Sunday off the week prior to the awarded vacation period or Monday and Tuesday off the week following the awarded vacation period.

I. Vacations will be taken in the year earned. Employee vacation accruals in the current year may be taken in advance of time earned. If an employee terminates before the vacation time is actually earned, the unearned time will be deducted from his final paycheck.

J. Trading of vacation periods is not permitted, however, during a calendar year, vacation periods of five (5) days or
more that are available or become available, may be awarded
to the senior Agent with a preferential bid on file for that
vacation time period. This provision shall be subject to the
needs of service and will not apply when the Company has
less than 30 days notice of such vacated vacation period.

K. Agents transferring to a different station or different vacation
bid area or part-time employees awarded permanent full-time vacancies or full-time employees awarded part-time vacancies or Agents promoted to premium classifications shall be allowed to reschedule their vacation period(s) to available vacation weeks if their previous bid vacation periods are not available. If sufficient vacation weeks are not available, the Company will designate additional vacation weeks sufficient to accommodate the employee’s remaining vacation weeks.

L. Vacation earned but not taken during the calendar year will
be paid during the first quarter of the following year. These
days will be paid at the employee’s rate of pay on December
31 of the calendar year in which they were earned.

M. Employees will be required to bid a minimum of two (2)
weeks vacation annually. DAT vacation requests must be
submitted in writing by the employee no later than three (3)
days prior to the requested day off. DAT vacation requests will
be granted based on the needs of service in seniority order
within the classification, duty assignment and shift. An
employee will not be eligible for DAT vacation when on a
scheduled day off, a Company recognized holiday, during a
scheduled vacation period, or during a shift swap to work.

N. Upon an employee’s termination or retirement from the
Company, unused accrued vacation will be paid at the
employee’s current rate of pay. **Employees who have a negative balance upon termination or retirement will be required to repay the days through payroll deduction.**

O. Employees who fail to bid will be bypassed. Bypassed employees who report late for bidding will be permitted to select from any remaining open vacation weeks at the time
they report for bidding. Bypassed employees who fail to report for bidding during the bid process will be assigned vacation weeks from the remaining open vacation weeks.

P. Employees who have a negative vacation balance at the end of the year will be provided a letter indicating the number of negative hours, payroll deduction authorization and specified date for return of the signed payroll authorization. Employees will have the option to repay the negative vacation balance by having the subsequent year’s vacation accrual reduced by the negative vacation balance (hours for full-time employees and days for part-time employees). Payroll deductions will be at the employee’s rate of pay on December 31 of the calendar year in which the employee ends with a negative balance and will be deducted as follows:

1. If the negative balance is eight (8) hours or less, the repayment will be a one-time lump sum deduction; or,

2. If the negative balance is more than eight (8) but equal to or less than eighty (80) hours, eight (8) hours will be deducted from each bi-weekly pay check until the negative balance is repaid; or,

3. If the negative balance is more than eighty (80) hours, the total number of negative hours owed will be divided by ten (10) and that amount will be deducted from each bi-weekly pay check until the negative balance is repaid.

Employees who do not return their payroll authorization letter by the required date, will have their subsequent year’s vacation accrual reduced by the number of hours (or days for part-timers) equal to their negative balance. Employees who do not have sufficient unbidded vacation days in the subsequent year to cover their negative balance will have the appropriate number of vacation days cancelled from their bid vacation.
Article 16 - Limited Duty

A. An occupationally injured employee is required to accept a limited-duty position within the company provided he is qualified and the duties of the position do not exceed the restrictions provided by the employee's physician. The Company may assign a limited duty employee any work for which he is qualified.

B. Limited duty positions are offered to the extent that meaningful work is available, as follows:

1. Limited duty positions may be filled by employees who are restricted in performing their job duties as a result of occupational injury.

2. Limited duty positions are offered, when available, for up to a maximum of sixty (60) workdays per injury.

3. The assigned limited duty position will not exceed the restrictions as provided by the employee's physician.

4. Employees working limited duty positions are eligible for shift trades or overtime only if they are fully qualified for the duties of the position.

5. Employees required to work limited duty may have their assigned days off changed effective any Monday following the date the employee is released to limited duty provided the employee is given a minimum of five (5) days’ notice.

6. Employees required to work limited duty may have their assigned scheduled shift changed, provided the employee is given a minimum of forty-eight (48) hours’ notice.

C. Required doctors and therapy appointments associated with the injury or disability while on limited duty should
be scheduled around work hours. If employees are unable to do so, they will be given the option of using their accrued sick leave for the time missed to attend the appointment(s) or take unpaid time.

D. Where there are insufficient limited duty positions available, open limited duty positions will be awarded in seniority order.

E. An employee required to leave work to receive immediate medical attention as a result of an occupational injury will be paid for all remaining regularly scheduled and swapped on hours not worked that day.
Article 17 - Probation

A. An employee shall be on probation for the first one-hundred (100) calendar days of active service.

B. During probation, the employee’s work schedule will be set by the Company.

C. The Company has no responsibility to re-employ any employee separated for any reason during the probationary period. Probationary employees separated from the Company lose all accrued seniority.

D. Probationary employees are not eligible for vacation or sick leave credit or accrual until completion of one-hundred (100) calendar days of active service, at which time vacation and sick leave accrual will be retroactive.
Article 18 - Uniforms

Employees are required to wear a uniform while on duty in compliance with Company uniform dress code standards.

A. Employees are required to purchase the initial basic uniform issues, except where laws require the Company to pay for costs of providing and replacing uniforms.

B. Payroll deductions in the amount of $10.00 per pay period for full-time employees, and $5.50 per pay period for part-time employees, will be made for purchase of basic issue uniform items.

C. Basic issue uniform pieces will be replaced at Company expense based on appearance and wear, or approximately every eighteen (18) months.

D. Employees may purchase uniform pieces in addition to the required basic issue or optional uniform pieces at their own expense at any time. Payment for additional basic or optional uniform pieces will be a one-time lump sum or four (4) equal payroll deductions, at the Employee’s option.

E. Uniform pieces, which are damaged beyond repair by aircraft fluids, cargo, cargo bins, etc., will be replaced with the Company paying the full cost of replacement.

Employees who lose uniform pieces or damage uniform pieces as a result of improper care/maintenance or cleaning or as a result of not wearing protective clothing will be responsible to pay for replacement pieces.

F. Uniform account balances for employees who are furloughed will be frozen. Payroll deductions will resume when the employee is recalled to active service.

G. Employees who terminate or resign are required to pay the outstanding uniform account balance to the Company.
H. The Company will determine the required basic uniform items.

I. Protective clothing will be provided by the Company as follows:

1. Parkas or coveralls (employee will select one only) will be provided to employees assigned to the ramp in locations where below-freezing weather occurs for frequent, extended periods of time. Employees who have previously been issued parkas, will be eligible to receive one pair of coveralls provided the parka being replaced is at least sixty (60) months old.

2. Rain gear is provided to employees assigned to the ramp.

3. Ear protectors are provided to and must be worn by employees assigned to positions exposed to aircraft noise.

4. Kneepads are provided to employees assigned to the ramp in an aircraft loading/unloading capacity.

5. Articles of protective clothing damaged by aircraft fluids, cargo, cargo bins, etc., will be replaced by the Company. Articles of protective clothing lost or damaged by the employee will be replaced by the employee.

6. Employees transferring outside the bargaining unit or who terminate or resign are required to return all articles of protective clothing to the Company.

J. The Company reserves the right to utilize vendor-provided uniforms and laundering. In the event the Company adopts a vendor uniform system Paragraphs A and F will no longer be applicable.
Article 19 - Shift Definition

A. Shifts are defined based on the scheduled starting time, as follows:

1. Shift 1: Employees scheduled to report to work at or after 0500, but before 1200, are on Shift 1.

2. Shift 2: Employees scheduled to report to work at or after 1200, but before 1800, are on Shift 2.

3. Shift 3: Employees scheduled to report to work at or after 1800, but before 0500, are on Shift 3.
**Article 20 - Grievance Procedure**

**A. Union Representatives**

The Union will be represented by properly designated committeemen in each station. Committeemen shall be allowed reasonable time required for authorized Union business during working hours, consistent with the needs of the service and shall be compensated for such time at their straight time rate. "Authorized Union business" is that relating to the investigation of grievances, disciplinary action, hearings, and grievance meetings with officials of the Company. In the conduct of such authorized Union business, the committeeman shall notify his supervisor of his desire to leave his work place, the reason therefore, and shall notify his supervisor of his return. When it is necessary for a committeeman to enter a department other than his own, he shall report immediately to the supervisor of that department stating the nature of his business.

The Union will be further represented at each point where Local Lodges exist by a Local Committee consisting of three (3) members elected by the Local membership; one of whom will be known as the Chairman. This Committee will deal with officials of the Company together with the Assistant General Chairman, or other accredited representatives of the Union. The Company and the Union will keep the other party advised through written notice of any change in authorized representatives.

It is understood that officials of either party having responsibilities under this procedure may delegate those responsibilities to another authorized representative.

The General Chairman, Assistant General Chairman, or other accredited representatives of the Union shall be permitted at any time to enter departments or facilities of the Company for the purpose of investigating grievances and disputes after contacting the Company representatives in charge and advising the purpose of their visit.
B. Grievance Steps

The procedure for the presentation and adjustment of disputes or grievances that may arise will be as follows:

Oral Step

Any employee or group of employees who believe that any provision of this Agreement has not been properly applied or interpreted, may orally present the grievance to their immediate supervisor within five (5) days of the occurrence that leads to the grievance. The Supervisor shall give a oral decision to the employee(s) within twenty-four (24) hours of the discussion. Employees may be accompanied by an accredited representative of the Union at this step. Oral step decisions are non-precedential.

Step 1

If the employee is not satisfied with the verbal decision of the employee's immediate supervisor, the matter, through the local committee, must be reduced to writing on a standard grievance form and given to his Station Director/Manager within five (5) days of the verbal decision. The Station Director/Manager will render a decision in writing to the employee within seven (7) days of receipt of the grievance, and a copy of the decision will be provided to the accredited representative of the Union. Step 1 decisions are non-precedential.
Step 2

If no satisfactory adjustment is reached in the previous Step, the grievance may be appealed with or through the Local Grievance Committee within ten (10) days of the receipt of the Step 1 decision to the Customer Service Director. The Customer Service Director may, at his discretion, establish hearing dates to assist in the timely resolution of such grievances. The Customer Service Director will render a decision in writing within fourteen (14) days of receipt of the appeal, or within seven (7) days of a hearing, whichever is later.

Step 3

If no satisfactory adjustment is reached in the previous Step, the decision may be appealed with or through the Assistant General Chairman or his designee within fourteen (14) days of the receipt of the Step 2 decision to the Vice President - Labor Relations, or his designee. The Vice President - Labor Relations, or his designee, shall schedule meetings consistent with the availability of the Assistant General Chairman on a frequency that will assure timely resolution or disposition of the grievances. The Vice President - Labor Relations, or his designee, shall render a decision in writing in the space provided for it on the standard official grievance form as soon as possible, but not later than fifteen (15) days following the date of the Step 3 meeting.

At the request of either party and by mutual written agreement between the Vice President - Labor Relations, or his designee, and the Assistant General Chairman, the parties may elect to have the grievance by-pass Step 3 and submit the grievance to the Mediation Process described in Paragraph K.

Step 4

If no satisfactory adjustment is reached in the previous step, the decision may be appealed to the System Board of Arbitration by presenting it through the Assistant General
Chairman. The written appeal must be submitted by the Assistant General Chairman to the Vice President - Labor Relations, or his designee, within thirty (30) days of the receipt of the Step 3 decision.

C. Issuance of Discipline

No employee who has successfully completed his probationary period will be disciplined to the extent of loss of pay or discharge without being advised in writing of the charge(s) preferred against him leading to such action. Such notice, or notice of any other disciplinary action, shall be presented to the employee not later than fourteen (14) days from the time the Customer Service Department learns of the incident upon which such charge(s) is based, with a copy to the local committee and Assistant General Chairman.

D. Disciplinary Grievances Other Than Discharge

In cases of discipline other than discharge, the employee may request a hearing at the Step 1 level. The request for a hearing must be submitted with the written grievance.

The hearing will be scheduled within ten (10) days of the Station Director/Manager's receipt of the grievance. The Station Director/Manager will render a decision in writing to the employee within ten (10) days of the hearing, and a copy of the decision will be provided to the accredited representative of the Union, and thereafter Steps 2 and above shall apply. Step 1 decisions are non-precedential. The time frame described in this Paragraph is an exception to the normal time frames within Step 1.

E. Discharge Grievances

In cases of discharge, the affected employee through the Local Committee, shall file his initial grievance with the Customer Service Director within seven (7) days of the discharge. The Customer Service Director shall schedule a hearing on the discharge grievance within ten (10) days of the filing of the grievance. The written decision of the
Customer Service Director shall be issued within ten (10) days of the hearing, and thereafter Steps 3 and above shall apply.

F. Remedy

The hearing officer of any suspension or discharge shall have the authority to grant relief including back pay, seniority and record correction appropriate to cases where it is decided to reduce or eliminate disciplinary penalties determined to be unwarranted under the standard of just cause.

G. Time Limits

1. The time limits set forth in this Article may only be waived by mutual, written agreement of the parties.

2. Failure of the Company to answer grievances within the prescribed time limits at any step automatically moves such grievances to the next level of the grievance procedure.

3. Failure of the employee or his Union representatives to comply with any of the prescribed time limits will withdraw any such grievances from further consideration.

H. Probationary Employees

Probationary employees may be disciplined or discharged at the Company's discretion and no probationary employee shall have the right to grieve any disciplinary or discharge action of the Company.

I. Hearings

All hearings and investigations will be conducted during regular day shift working hours, and Committee members and necessary employee witnesses shall receive only straight
time rate while handling grievances or attending investigations.

The Company official to whom a grievance appeal is submitted under this section may designate another member of management as hearing officer as necessary.

J. Union Activity

No employee selected as committeeman or officer of the Union will be discriminated against for lawful activity on behalf of the Union.

K. Mediation Process

When the Mediation Process is mutually agreed to in order to bypass Step 3 of the grievance process, the following will apply:

1. The issues mediated will be the same as the issues the parties have failed to resolve through the grievance process. The presentation of evidence is not limited to that presented at any previous step of the grievance procedure. The rules of evidence will not apply and no transcript of the Mediation Conference shall be made.

2. The grievant(s) will have the right to be present for the presentation of the case. Other attendees will include those individuals needed to present the parties' positions and to reach agreement with the authority to bind their respective parties. Non-participating observers will not be admitted except by mutual agreement of the parties.

3. The Company and the Union shall each appoint a principal spokesperson for the Mediation Conference.

4. The Mediator has the authority to meet both jointly and separately with the parties; however, the
mediator has no authority to compel resolution of the grievance.

5. Any grievance settled during a Mediation Conference that is intended to be non-precedent setting shall be so stated in a jointly executed settlement agreement.

6. If no settlement is reached during the Mediation Conference, the Mediator shall provide the parties with an immediate oral advisory decision involving the interpretation or application of the collective bargaining agreement, together with the reasons for his decision, unless both parties agree that no opinion shall be provided.

7. The advisory decision of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties agree otherwise.

8. Any written material or documentary evidence presented to the Mediator or to the other party shall be returned to the party presenting that material at the end of the Mediation Conference.

9. In the event that a grievance, which has been the subject of a Mediation Conference, is subsequently heard before the System Board of Adjustment, the mediator may not serve as the arbitrator, nor may he be called as a witness by either party in the Board's proceedings. During the System Board proceedings on such a grievance, no reference will be made to the fact that the grievance was the subject of a Mediation Conference; nor will there be any reference to statements made, documents provided, or actions taken by either the Mediator or the participants during the course of a Mediation Conference, unless the party offering such statements, documents or actions would have had access or entitlement to them outside of the Mediation Conference.
10. By agreeing to schedule a Mediation Conference, the parties are not waiving any procedural arguments that they may have regarding the case. Both the Company and the Union reserve the right to raise jurisdictional or procedural issues notwithstanding their agreement to schedule such a conference.

11. All parties in the Mediation Conference, including the Mediator, are barred from disseminating information pertaining to the conference and/or individual grievances to the public, the media or like source.

12. All mediation fees and expenses will be shared equally between the parties. The Mediation Conference will be held in the same location, as would a System Board hearing.

13. Mediators will be selected by mutual agreement of the parties. If the parties are unable to agree to a mediator, then either party may write to the other appealing the grievance to the System Board.

14. If a mediated grievance is not resolved at the mediation conference, that grievance must be appealed within thirty (30) calendar days to the System Board of Adjustment.

L. Stenographic Report

When it is mutually agreed that a stenographic report is to be taken by a public stenographer of any investigation or hearing provided for in this Agreement, the cost will be borne equally by both parties to the dispute. When it is not mutually agreed that a stenographic report of the proceedings be taken by a public stenographer, the stenographic report of any such investigation or hearing may be taken by either of the parties to the dispute. A copy of such stenographic record will be furnished to the other party to the dispute upon request at a pro rata cost. The cost of any additional copies requested by either party shall be borne by
the party requesting them, whether the stenographic record is taken by mutual agreement or otherwise.
Article 21 - System Board of Arbitration

A. In compliance with Section 204, Title II of the Railway Labor Act, as amended, there is hereby established a System Board of Arbitration (the Board) for the purpose of adjusting and deciding grievances which may arise under the terms of this Agreement.

B. The Board shall consist of three (3) members; a neutral referee, a member selected by the Company and a member selected by the Union. Upon timely receipt of appeal from the Union to the Company’s Director of Arbitration, Labor Relations, or following submission of a Company grievance by the Vice President of Labor Relations to the Union and Company members of the Board, the Company’s Director of Arbitration, Labor Relations or his designee shall contact the designated representative of the Union to select a mutually agreeable arbitrator to serve as the neutral member of the Board.

C. The neutral arbitrator shall be selected by the Company and the Union from an established panel of neutrals as described in Paragraph E. If the Company and the Union cannot agree upon the neutral member, they shall select him/her by alternately striking names from the panel. The order of striking shall be determined by coin toss for the first case in which a neutral member is chosen under these provisions and, in subsequent cases, the parties shall alternate taking the first strike. Either the Union or the Company, as the parties determine in each instance, shall contact the selected neutral, with appropriate notice to the other party, to determine his/her availability. Unless otherwise mutually agreed upon, if the neutral member selected for the particular case is unable to serve within ninety (90) days after his/her selection (or fifteen (15) days in the case of an expedited hearing), the neutral who remained on the list prior to the last strike shall be contacted as noted above. Such a procedure will be followed until a panel member is selected to hear the case.

D. If the Company or the Union member of the Board considers a grievance which has been submitted to the Board to have
sufficient urgency and importance, then that member shall provide written notice to the parties and the other Board member of the need for an expedited arbitration. The parties shall select an Arbitrator in accordance with the provisions of this Article as expeditiously as possible. The Board hearing shall take place not more than fifteen (15) days following notice of the need for expedited hearing, or at such later date as the parties mutually agree.

E. The panel of neutrals shall consist of nine (9) neutrals. The parties shall agree on a panel of neutrals in the following manner:

1. Each party shall provide to the other a list of eleven (11) neutrals within fourteen (14) days after the signing of this Agreement. Any names found on both lists will be deemed to be members of the panel. Any other names from either list, which can be agreed upon by the parties, will also be placed on the panel.

2. Should the parties fail to agree upon a panel of nine (9) neutrals within forty-five (45) days after the signing of this Agreement, then either party may petition the National Mediation Board (the NMB) for a list of candidates consisting of the requisite number needed plus a number of additional candidates equal to three (3) times the number of remaining neutrals needed. Any candidate offered by the NMB shall be a member of the National Academy of Arbitrators. The parties will then use an alternate strike process to arrive at the necessary number of neutrals, with the order of striking to be determined by coin toss.

3. Each panel member shall serve for a minimum period of twelve (12) months, effective on the date that the parties reach resolution on the first panel of thirteen. After a panel member has served for a twelve (12) month period, either the Company or the Union may serve notice to remove him/her by
notifying the other party. Within thirty (30) days of such notification or if a vacancy occurs on the panel the parties will endeavor to select a replacement. If the parties cannot agree on a replacement panel member within thirty (30) days, either the Union or the Company may petition the National Mediation Board to provide seven (7) names of arbitrators who are members of the National Academy of Arbitrators and the Company and the Union will select under the procedures set forth in Paragraph C. above, one (1) of the seven (7) arbitrators as a replacement panel member.

F. Hearings of the Board will alternate between the Company’s main operating bases and the Company’s corporate headquarters unless the parties mutually agree otherwise.

G. The Board shall have jurisdiction over grievances under this Agreement. The jurisdiction of the Board shall not extend to proposed changes in hours of employment, rates of compensation or working conditions covered by this Agreement or any of its amendments.

H. The Board shall consider any grievance properly submitted to it by the Union or by the Vice President of Labor Relations when such grievance has not been previously settled in accordance with the terms provided for in this Agreement.

I. An employee covered by this Agreement may be represented at Board hearings by any person designated by him and the Company may be represented by any person designated by it. Evidence may be presented both orally and in writing. The Board may summon any witnesses who are employed by the Company and who may be deemed necessary by the parties to the dispute.

J. The decision of the System Board shall be rendered within thirty (30) days after the close of the hearing. A majority vote of the members of the Board shall be necessary to make
a decision. The decisions will be final and binding upon the Company, the Union and the grievant(s).

K. The time limits specified in this Article may be extended by mutual agreement between the parties to this Agreement.

L. Nothing contained in this Article will be construed to limit, restrict, or abridge the rights or privileges accorded either to the employees, the Company, or their duly accredited representatives under the provisions of the Railway Labor Act, as amended.

M. The Board shall maintain a complete record of all matters submitted to it for consideration, and of all findings and decisions made by it.

N. Each of the parties will assume the compensation, travel expense and other expenses of the Board members selected by them.

O. Each of the parties will assume the compensation, travel expense and other expenses of the witnesses called or summoned by them. A witness who is an employee of the Company shall receive free round trip transportation over the Company system, so far as space is available from the point of duty or assignment to the point at which he must appear as a witness, to the extent permitted by law.

P. The Company and Union members, acting jointly, shall have the authority to incur such other expenses as, in their judgment, may be deemed necessary for the proper conduct of the business of the Board, and such expenses shall be borne one-half (1/2) by each of the parties. Board members shall be furnished free round trip transportation over the Company system so far as space is available for the purpose of attending meetings of the System Board, to the extent permitted by law.

Q. A Board member shall be free to discharge his duty in his capacity as a System Board member in an independent manner without fear that his individual relations with the
Company or with the Union may be affected in any manner by any action taken by him in good faith.
Article 22 - Insurance

A. Active employees covered under this Agreement may elect to participate in one of the three levels of medical and dental coverage described in Attachment A. Election to participate in the Company’s insurance programs must be accomplished during the annual open enrollment period. Nothing in this Agreement shall alter, enlarge or otherwise change the coverage of the Agreement.

B. 1. Employees who retain seniority under the Agreement and who are regularly assigned or transferred to full time employment not covered by such Agreement, or are on leave, or are furloughed on account of force reduction, will not be required to maintain membership as provided in Paragraph A. of this Article so long as they remain in such other employment, on leave, or furloughed as herein provided, but they may do so at their option. Should such employee return to any service covered by the Agreement, they shall, as a condition of their continued employment subject to such Agreement, be required to become and remain members in good standing in the Union within thirty (30) days from the date of their return to such service.

2. The seniority status and rights of employees who serve in the Armed Forces shall not be terminated by reason of any of the provisions of this Agreement, but such employees, upon resumption of
employment, shall be governed by Paragraph A. of this Article.

C. 1. Nothing in this Agreement shall require an employee to become or to remain a member of the Union if such membership is not available to such employee upon the same terms and conditions as are generally applicable to any other member, or if the membership of such employee is denied, or terminated for any reason other than the failure of the employee to tender the periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership in the Union. For the purpose of this section, dues, fees, and assessments shall be deemed to be "uniformly required" if they are required of all employees in the same work classification at the same time in the same Local Lodge.

2. For the purpose of this Agreement, "Membership in good standing in the Union," shall mean that the employee is a member of the Union and is not more than sixty (60) days in arrears in the payment of initiation fees, assessments, and membership dues as referred to in Paragraph C.1.

3. When an employee becomes delinquent or not "in good standing" within the meaning of Paragraph C.2. above, he shall be subject to discharge and the following procedures shall apply:

(a) The General Chairman of the Union shall notify the employee in writing, Certified mail, return receipt requested, and copy to the Vice President of Customer Service of the Company, that he is delinquent in the payment of initiation fees, assessments or membership dues as specified herein, and accordingly is subject to discharge as an employee of the Company. Such letter shall
also notify the employee that he must make the required payment to the Financial Secretary of the appropriate local lodge of the Union within fifteen (15) days of the date of mailing of the notice or be subject to discharge.

(b) If, upon the expiration of the fifteen (15) day period, the employee still remains delinquent, the General Chairman of the Union shall certify in writing to the Vice President of Customer Service of the Company, with copy to the employee, that the employee has failed to make the required payment within the fifteen (15) day grace period provided in sub-paragraph (a) above, and is therefore to be discharged. The Vice President of Customer Service shall promptly notify the employee involved that he is to be discharged from the service of the Company, and shall so discharge him for his failure to pay or tender the initiation fees, dues, and assessments as required under the terms of this Article unless he files an appeal.

(c) If the decision of the Vice President of Customer Service is not satisfactory to the employee or to the Union, it may be appealed directly to the highest officer of the Company designated to handle such appeals. Such appeals shall be taken within ten (10) calendar days of the date of the decision appealed from, and if taken, shall operate to stay action on the termination of employment until the decision on the appeal is rendered. The Company shall promptly notify the other party in writing of any such appeal. The decision of such appeal shall be rendered within ten (10) calendar days of the date the appeal is taken and the employee
and the Union shall be promptly advised thereof. If the decision on such appeal is that the employee has not complied with the terms of this Agreement, his employment and seniority in that class or craft shall be terminated within ten (10) calendar days of the date of said decision, unless the Company and the Union agree otherwise in writing.

(d) Such decision on appeal shall be final and binding unless within seven (7) days thereof the Union requests in writing that the decision be reviewed in such joint conference by the Vice President of Customer Service or by his designated representative, and the General Chairman, or by his designated representative. If such request is made, the decision on appeal shall be reviewed in such joint conference within seven (7) days of the date such request is received, and any decision rendered within such seven (7) day period shall be final and binding. If the decision on such review is that the employee has not complied with the terms of this Agreement, his employment and seniority in that class or craft shall be terminated within ten (10) calendar days of the date of said decision, unless the Company and the Union agree otherwise in writing.

D. An employee discharged by the Company under the provisions of Paragraph C. shall be deemed to have been discharged for non-payment of Union dues, and notation so made on his employment record.

E. Time limits specified in this Article may be extended in individual cases by written agreement of the Company and the Union.
F. The grievance procedure of the Agreement will not apply to cases arising under this Article.

G. Other provisions of this Agreement to the contrary notwithstanding, the Company shall not be required to terminate the employment of any employee until such time as the services of a qualified replacement are available. The Company may not, however, retain any employee in the service under the provisions of this Paragraph for a period in excess of ninety (90) calendar days from the date of the Union's original notice except by mutual agreement by the parties hereto.

H. 1. The Company will deduct from employees' wages, and turn over to the Union, the Union membership fees of each employee who individually and voluntarily authorizes the Company to make such deductions. Such authorizations shall be made upon a card in a size and form mutually agreed to between the Company and the Union. In order to become effective, such authorization cards shall be delivered by the Union to the Payroll Department of the Company. Such authorizations shall not be irrevocable for a period of more than one (1) year from their effective date or beyond the termination of this Agreement, whichever occurs sooner.

2. Deductions for dues shall be made from the employee's paycheck for the first (1st) and second (2nd) pay periods ending in each month. Such deductions shall be made only in the event that sufficient earnings remain for such deductions after other deductions have been made for Withholding Tax, Social Security contributions, and other deductions required by law or by the Company.

3. If sufficient earnings do not remain after other deductions as noted above for each pay period during the month, or if there are employees on the payroll that do not have on file with the Company an authorization for dues deductions as per Paragraph
H.1., the Union shall be so notified. Notification shall include employee number, name, classification code, department, city and the amount of deduction for each period and total amount for the month. And it shall thereafter be the responsibility of the Union to collect dues for that month and for any month following in which sufficient funds are not available for such deductions.

4. The obligation of the Company to make such deductions shall terminate in the event an employee shall cease to be an employee as defined in Article 1 of this Agreement.

I. Upon submission of the appropriate form, a single flat sum deduction for an initiation fee shall be made from each newly hired employee's paycheck subject to Paragraph A. above. Such deduction shall be made only in the event that sufficient earnings remain for such deduction after other deductions have been made for Withholding Tax, Social Security contributions and other deductions required by law or by the Company.

J. The Union shall indemnify the Company and hold it harmless against any and all suits, claims, demands, and liabilities which arise out of or by reason of any action taken or not taken by the Company for the purpose of complying with any of the provisions of this Agreement.

K. This Agreement shall become effective on the date of signing of the Agreement, and shall continue in full force and effect concurrently with said Agreement.

This review may be accomplished prior to any grievance hearing and copies of relevant documentation will be provided.

Level I, II and III disciplinary letters issued to employees covered by this Agreement shall not remain in their personnel record for a period of more than twelve (12) active months except when associated with a higher discipline level. In such cases, the disciplinary letters will remain until the expiration of the higher discipline level.

Such space positive travel is only authorized where the purpose of the travel is all or substantially all related to the Company. Officials authorized space positive travel will be required to complete a monthly summary (no later than 10 days from the close of the previous business month) detailing all space positive travel in the applicable month.

F. Fleet Service employees will be considered for vacancies outside the scope of this Agreement consistent with the internal job posting program or transfer policy in effect at the time of the vacancy.

Re: Flexible Spending Account

April 5, 1999

Thomas F. Brickner
Grand Lodge Representative
I.A.M.A.W.

Dear Mr. Brickner:

This will confirm the Company's intent to continue the Flexible Spending Account (FSA) Program. The program will consist of two reimbursement accounts, one for eligible medical care expenses and the other for eligible dependent care expenses.

The FSA Program will be designed to permit Fleet Service employees to contribute a portion of their compensation through payroll deduction into one or both accounts on a pre-tax basis. These payroll deductions shall not reduce pay-related benefits for the purposes of retirement, disability or life insurance benefits, to the extent permitted by law. As employees submit claims for eligible expenses throughout the year, they will be reimbursed from their accounts. Elections by employees to contribute to FSA's must be made prior to the beginning of the plan year. No changes in elections are permitted during the plan year except in the event of a change in family status, as defined under the USAir Medical Plan. Amounts not reimbursed and remaining in the FSA's at the end of the plan year will be used to reduce expenses incurred in the administration of the plan. Covered expenses are determined by the Company.

Maximums that may be excluded from tax during any taxable year will be established in accordance with Internal Revenue Code provisions. Periodic non-discrimination testing may impact plan participation.

Sincerely,

/s/John M. Hedblom
Vice President Labor Relations

The Company and the Union have agreed that: (1) the Company will integrate the Shuttle’s operations and that upon integration, or earlier, Fleet Service employees will perform applicable fleet service work in Shuttle locations, and (2) this agreement will apply to the operations of the US Airways Shuttle (the “Shuttle”) when integrated with the Company’s operations.

Re: Labor Protective Provisions

April 5, 1999

Mr. Thomas F. Brickner
Grand Lodge Representative
I.A.M.A.W

Dear Mr. Brickner:

This is to confirm the understanding reached between US Airways, Inc. (the “Company”) and the I.A.M.A.W. (the “Union”) during negotiations for the initial 1999 Fleet Service collective bargaining agreement (the “Agreement), regarding employee protections in the event of a merger.

(1) The Company agrees that, in the event of a merger with another air carrier (other than a carrier within the US Airways control group), where all or substantially all of the assets and operations of the other air carrier are integrated with those of the Company, the Company shall provide to the Company’s employees covered by this agreement the seniority integration procedures of Sections 3 and 13 of the Allegheny-Mohawk Labor Protective Provisions: provided, however, that said procedures will not be provided, if and to the extent they are in conflict with contractual or legal obligations of the other carrier.

(2) If the Company’s employees covered by this Agreement are furloughed within six (6) months of the Company’s merger with another air carrier, and the furlough is a direct result of said merger, the Company will pay to the furloughed employees, in lieu of the furlough allowance otherwise required by this Agreement, a sum of money equal to two times the furlough allowance provided for under this
Agreement. To be entitled to this protection, an employee must exercise his seniority to the fullest extent possible. For purposes of this Paragraph a “merger” shall mean a transaction where all or substantially all of the assets and operations of the Company are integrated with another air carrier not within the US Airways control Group.

Re: Retirement Lump Sum

April 5, 1999

Mr. Thomas F. Brickner
Grand Lodge Representative
I.A.M.A.W

Dear Mr. Brickner:

This is to confirm the understanding reached between US Airways, Inc. (the “Company”) and the I.A.M.A.W. (the “Union”) during negotiations for the initial 1999 Fleet Service collective bargaining agreement (the “Agreement”). The following will apply:

Pension Supplement. (a) Any Fleet Service employee who (i) as of January 1, 1999, was age 60 or over and had five or more years of service with the Company; (ii) as of January 1, 1999 has an accrued benefit in the Retirement Plan for Certain Employees of US Airways, Inc. (the “Retirement Plan”); (iii) elects benefit commencement under the Retirement Plan on or after attaining age 62; and (iv) at the time of benefit commencement has a “total pension benefit” (as defined in subsection (b)) of less than $51.00 per month per year of service, will receive a pension supplement of $5,000 when he or she commences benefits under the Retirement Plan.

(b) For purposes of this section, an employee’s “total pension benefit” equals the sum of: (i) the monthly benefit payable in the form of a single life annuity under the Retirement Plan (the defined benefit plan), (ii) the monthly benefit payable in the form of a single life annuity under the US Airways, Inc. Employee Pension Plan (the money purchase plan), and (iii) the monthly benefit payable in the form of a single life annuity as a result of Profit Sharing Contributions under the US Airways, Inc. Employee Savings Plan (the 401(k) plan). The total pension benefit shall be calculated as of an employee’s actual benefit commencement date under the Retirement Plan, based on the monthly benefits payable to the employee at that time.
(c) The Company will endeavor to pay the pension supplement provided in paragraph (a) into the employee’s Profit Sharing account in the US Airways, Inc. Employee Savings Plan as a lump sum contribution. If the Company is unable to make such contribution to the Employee Savings Plan due to tax-qualification or other legal requirements, the Company will pay the pension supplement from its general assets.

Dear Mr. Miklavic,

The following will confirm our conversation regarding the transfer of employees who have not completed the minimum stay of one (1) year for system transfers pursuant to Article 8, paragraph F.5 of the fleet service contract.

The Company will consider transfer requests on a case-by-case basis from employees meeting the following criteria:

- Satisfactory performance
- The employee’s transfer does not adversely affect staffing requirements in the vacating position and/or deplete company resources
- The hiring location is recruiting/hiring outside the company.

Based on these criteria, the Company reserves the right to approve transfers for employees who have not met their one (1) year minimum stay requirement.

RE: Vacation Balances for Transferred Employees

October 17, 2001
Mr. Randy Canale
President and Directing General Chairman
District 141 – IAMAW

Dear Randy,

This letter will confirm our conversation regarding the vacation balances for employees who transfer from full-time to part-time or part-time to full-time.

Employees transferring from full-time to part-time or part-time to full-time will receive payment for the current year’s vacation days accrued but not used as of the effective date of the transfer, or reimburse the company through payroll deduction for vacation days used but not accrued as of the effective date of the transfer.

The company will make every effort to allow employees to have a minimum of two (2) weeks of vacation time off in a calendar year. In the event that a fleet service employee who is paid for their vacation balance upon transfer, will be unable to accrue and take a minimum of two (2) weeks of vacation time off with pay, the company will consider requests for vacation time off without pay to accommodate a minimum of two (2) weeks off in the calendar year.

RE: Insurance

January 22, 2002

Randy Canale
President and Directing General Chairman
District 141 - I.A.M.A.W.

Dear Randy,

This letter will confirm our conversation regarding the Company’s agreement to enhance the benefits offered in Article 22, B.1.c regarding family medical and dental coverage for employees displaced from full-time Fleet Service positions to part-time positions.

Full-time employees working in Fleet Service on the effective date of the collective bargaining agreement, who are subsequently affected (from a non-closed station) will be eligible for family medical and dental coverage upon recall to part-time only if they listed part-time within their location on their displacement bid form at the time of their displacement but were not awarded part-time during the displacement exercise based on their relatively junior classification date. Full-time employees (except those in closed stations) who did not elect to list part-time in their location on their displacement bid form will not be eligible for family medical and dental coverage upon recall to part-time.

Full-time employees working in Fleet Service on the effective date of the collective bargaining agreement, who are subsequently affected as a result of the closure of their station, will be eligible for family medical and dental coverage upon recall to part-time in their new location.
In no cases are employees on furlough who transfer to part-time positions eligible for family medical and dental coverage. Additionally, pursuant to Article 22, B.1.c, employees who turn down recall to a full-time position in Fleet Service will not be eligible for family medical and dental insurance coverage.

Employment and other conditions at Wholly Owned Carriers

A. US Airways shall request PSA, Piedmont, and Allegheny (hereafter “Wholly Owned Carriers”) to make job offers and employ furloughed Employees who apply for Wholly Owned Carrier Vacancies in accordance with the following provisions. It is recognized, however, that US Airways does not control the hiring and employment policies of the Wholly Owned Carriers, and thus cannot be responsible for their compliance with these provisions. US Airways will request that the Wholly Owned Carriers indicate, in writing, within seven (7) days of the agreement between the Company and the Union, whether they will comply with the provisions below.

1. Employees who are furloughed on or after the effective date of this agreement who desire transfer to a Wholly Owned Carrier Vacancy will be required to notify the Wholly Owned Carrier and submit their application to the Wholly Owned Carrier. Employees who are on furlough as of the effective date of this agreement who are interested in applying for Vacancies at the Wholly Owned Carrier must submit their application to the Wholly Owned Carrier within forty-five (45) days of the date that the Wholly Owned Carrier notifies the Employee that it will begin to accept applications. Applications must include all locations for which the employee is applying.

2. The Wholly Owned Carrier will be requested to offer employment to any qualified furloughed Employee who has applied under the terms stated in item (1) above prior to employing anyone else in that Vacancy. As employment opportunities become available, the Wholly Owned Carrier will be requested to offer such positions in relative seniority order to qualified Employees who have submitted applications in accordance with this Agreement.
3. Furloughed Employees who accept positions at the Wholly Owned Carrier under these terms will be entitled to such seniority and terms and conditions of employment as are applicable in the CBA or employment policies of the Wholly Owned Carrier. Severance allowance, and any other benefits to which these Employees are entitled under the US Airways CBA shall not cease, or be adversely affected, upon the effective date of hire at the Wholly Owned Carrier.

4. Wholly Owned Carriers will be requested to release Furloughed Employees who accept recall or transfer back to US Airways positions in order to comply with report dates pursuant to the terms of the US Airways CBA.

5. In addition to the above and as a condition to this agreement between the Company and the Union the President of Mid Atlantic Airways (“MDA”) will be asked to provide a letter to IAM addressing MDA’s commitments, if any, regarding union recognition, the bargaining process for a first contract and hiring procedures. This letter will be provided to the Union prior to concluding the agreement between the Company and the Union. For Company employees hired by MDA, Severance Allowance and any other benefits to which these Employees are entitled under the US Airways CBA shall not cease, or be adversely affected, upon the effective date of hire at MDA.

B. Furloughed Employees hired at a Wholly Owned Carrier after the effective date of this agreement, will continue to be considered on furlough from US Airways and will continue to accrue US Airways seniority until recall to the status (full-time or part-time) the employee was furloughed from is accepted or rejected.
II. Definitions

The following definitions apply to certain terms used in this Agreement.

1. **Employees.** The term “Employees” refers to Fleet Service employees of US Airways represented by the IAM.

2. **Vacancies.** The terms “vacancies” refers to vacant job positions in Fleet Service craft or class.
Employment and other conditions of Wholly Owned Carriers

In addition to the above and as a condition to this agreement between the Company and the Union, the Union agrees that Mid Atlantic Airways (“MDA’s”) health and welfare benefits, including all elements (e.g. plan design and employee contributions), will be those currently in effect for MDA represented employees and the Company agrees that for employees who transfer/displace from mainline to MDA following the effective date of this agreement, applicable mainline seniority will count towards the six months wait required prior to being eligible for MDA benefits.

Tom Miklavic
Assistant General Chairman
DL 141 - IAMAW

Dear Mr. Miklavic:

The following will confirm our understanding regarding the company and union agreement regarding the allowance of back to back double shift swaps. This agreement is cancelable by either party subject to a thirty- (30) day notification:

1. Employees may shift swap to work back to back double shifts, once per workweek.
2. The company may disapprove any shift swap for any employee where the company finds that there is evidence of a pattern of abuse and/or evidence that the employee's productivity, safety, or job performance is adversely affected as described in item 5 below.
3. There must be a minimum of 7 hours of rest between each of the double shifts worked back to back.
4. Back to back double shift swaps will not be approved for any employee who is on a Level II or higher of the attendance control program.
5. In the event that the company finds any evidence of an adverse impact on the employee's performance, productivity or safety, the employee's manager shall discuss the concerns with the employee. Following the discussion, should the company again find further indications of an adverse impact to the employee's productivity, safety, or job performance then the employee's back to back shift swaps will be suspended for six (6) months. Any grievance filed as a result of the suspension of back to back double shift swaps will be limited to the factual question of whether the employee was advised of the company concerns over the adverse impact to their performance, safety or productivity and such grievance will end prior to the System Board of Arbitration step of the grievance process.

Pre-65 US Airways Employees who retire post 3/1/05

1) Retired employees may apply thirty three (33) accrued sick pay
   hours per month up to a maximum of 1200 hours, valued at
   $11.26/hour, to your pre-65 medical premium
   - Retired employees will be responsible for medical premium
     costs in excess of $371.58. Monthly contributions will be
     calculated as the total cost of the plan and level of coverage
     you elect less $371.58. Premium Equivalents will be
     recalculated annually based on the Plan’s experience. The
     chart below compares monthly Premium Equivalents under
     the current program to those currently estimated for the new
     program. Please note that the 2005 Current Program rates
     were developed using Active employee rates and the new
     program uses “true” pre 65 employee rates. It should also be
     noted that the new program costs for 2005 are estimated only
     and the actual 2005 rates may vary. The 2005 rates for the

Once accrued sick pay has been exhausted retired employees will have the option to move to an “access only” medical plan where they will be responsible for paying 100% of the medical premium until they reach age 65. The medical premium for this “access only” plan will be different than the medical premiums for those using accrued sick pay to purchase the benefit and will be based on plan experience for the “access only” group.

2) In lieu of #1 above, employees may receive a one-time cash payment in the amount equal to $9.20 times the number of accrued sick leave hours in their sick bank up to a maximum of 1200 hours.

Choosing to receive this one-time payment means that the employee and their dependents will not be able to participate in the pre or post-65 health care programs, including the “access only” plan noted above.

3) At age 65 retired employees and their dependents will not be eligible to participate in or have access to any post-65 medical plan through US Airways.

4) Employees and their dependents will not be eligible for dental coverage when they retire effective 3/1/05.
Post-65 US Airways Employees who retire after 3/1/05

1) From 3/1/05 through 12/31/05 retired employees will have the opportunity to remain enrolled in the AdvancePCS pharmacy plan.

The DDB Cap is only used for the purpose of setting contribution rates annually and is not a limit on actual benefits paid in a year.

- Contributions will vary from the above if any covered dependant are not covered by Medicare.
- After 12/31/05 retired employees will be eligible for the new Medicare prescription drug benefit and will be responsible for the full cost of such coverage.

RE: Fleet Bidding

May 9, 2005

Randy Canale
President and Directing General Chairman
District 141 - I.A.M.A.W.

Dear Randy,

Pursuant to our most recent discussions, the Company is willing to change past interpretation of Article 9.3.C, regarding bidding freeze while on furlough as follows:

Fleet Service employees who have currently received furlough notice awards, or going forward who receive furlough notice awards, but who remain active prior to their designated furlough date, will not be prohibited from filing system transfer requests while on active status to stations which were listed as available on their furlough notice. Such employees may submit bids for system transfers to any location, including locations offered during the displacement process which the employee did not list on their displacement bid.

This change in interpretation regarding the bidding freeze is applicable only while the employee is in an active status prior to furlough. Effective with the employee’s furlough date, these transfer requests will not be considered for locations offered during the displacement process which the employee did not list on their displacement bid and such employee will be prohibited from submitting system transfers to these locations for a period of one (1) year from the effective date of their furlough.

Sincerely,

/s/Ron Harbinson

Re: Seniority for furloughed fleet service employees

July 14, 2008

William Chandlee
Assistant General Chairman
IAMAW- District 141

Dear Mr. Chandlee:

The following will confirm our agreement regarding the application of Article 7, paragraph H for classification seniority for furloughed fleet service employees who transfer/accept positions outside of fleet service classifications other than shift manager.

The Union’s position is that the provisions of Article 7.H. do not apply to fleet service employees furloughed to the street that transfer/accept positions outside of fleet service classifications other than shift manager. Therefore the Union and Company agree that a furloughed fleet service employee that accepts a position outside of fleet service will continue to maintain but not accrue all previous fleet service classification and pay seniority for the duration of their recall. Should their recall rights expire or they refuse recall, they forfeit all previous fleet service classification and pay seniority.

Article 7.G. will continue to apply to furloughed fleet service employees that accept shift manager positions. Such employees will continue to maintain but not accrue all previous fleet service classification and pay seniority.

Sincerely,

/s/Ron Harbinson

Letter of Agreement re: Four-Day Work Week Schedules

Dear Mr. Delaney:

This will confirm our agreement to modify the collective bargaining agreement to permit shifts of more than eight-and-one-half (8 ½) hours and a work week of four scheduled work days. Prior to the initial implementation of a four-day work week in a station after Operational Employee Integration (OEI), the Company must have mutual agreement from the Union. Once the Company has agreement from the Union to permit four-day work week schedules in a station the following applies:

1. Notwithstanding Article 5.A, the Company will, at its sole discretion, determine which lines of work in the station may have a four-day work week schedule and the time frame for implementation of any four-day work week schedule. The Company may utilize a four-day work week schedule in any duty assignment or for certain lines of work within any duty assignment which may be modified as determined by the Company. The Company may, at its sole discretion, discontinue the use of any four-day work week schedule line(s) of work. Should the Company decide to discontinue the use of all four-day work week schedules in a station, the Company will provide the Union a minimum of thirty (30) days notice. Where utilized, a 4-day work week will consist of four (4) scheduled work days and three (3) consecutive scheduled days off, except for those employees whose
scheduled days off are Saturday, Sunday and Monday, or Sunday, Monday and Tuesday.

2. Notwithstanding Article 5.B, at the Company’s discretion, open-time agent may be scheduled for four (4) scheduled work days and three (3) consecutive scheduled days off.

3. Notwithstanding Article 5.E, shifts for a full-time employee who work week consists of four (4) scheduled work days and three (3) consecutive scheduled days off shall consist of ten-and-one-half (10-1/2) hours, including a one-half (1/2) hour unpaid meal period.

4. Notwithstanding Article 5.F, shifts for part-time employees whose work week consists of four (4) scheduled work days and three (3) consecutive scheduled days off shall consist of a minimum of three (3) and a maximum of six-and-one-half (6-1/2) hours per day.

5. Article 5.G is modified to: Employees will be granted one twelve (12) minute break period during the first half of their work shift and one twelve (12) minute break during the second half of their work shift.

6. Article 5.H is modified to: Employees will be allowed an unpaid meal period not to exceed thirty (30) minutes.

7. Article 5.H.1 is modified to: The Company will make every effort to schedule meal periods for full-time employees within one hundred twenty (120) minutes before or after the midpoint of their scheduled shift.

8. Article 6.P.1 will continue to apply in that employees must satisfy an 8-hour daily overtime qualifier in order to receive time-and-one-half (1-1/2) rates for hours worked at company request on a scheduled workday. With respect to flexible scheduling, employees are paid straight time rates for regularly scheduled hours worked and shift swap hours worked, regardless the length of the shift.
9. Notwithstanding Article 12.G, employees working a 4-day workweek will receive a maximum of eight (8) paid working days off within a fourteen (14) calendar day period in a calendar year for reservist training that will not count against the employee’s vacation.

10. Notwithstanding Article 13.A, full-time employees earn up to a maximum of 72 sick leave hours per year and part-time employees earn up to a maximum of 9 sick leave days per year. There will be a maximum accrual cap of 1,400 hours for full-time employees, and 175 days for part-time employees.

11. Article 13.A.1 is modified to: Eligible full-time employees accrue 8 hours of sick leave for each accrual month, whether working a 5-day or a 4-day work week and regardless of the shift length.

13. Article 13.H is modified to: Full-time employees transferring to part-time, or displaced to part-time, will have their full-time sick leave converted to part-time by dividing the number of full-time sick leave hours by four (4) on the effective date of the transfer. The result is the number of days in the employee’s part-time sick leave bank. If the result exceeds 175 days, the employee will maintain the higher amount and will not accrue sick leave days until such time that the employee’s available sick leave bank is reduced below the 175-day maximum cap.

14. Article 13.I is modified to: Part-time employees transferring to full-time, or recalled to full-time, will have their sick leave converted to full-time by multiplying the number of part-time sick days by four (4) hours on the effective date of the transfer. The result is the number of hours in the employee’s full-time sick leave bank.

15. Notwithstanding Article 14.E, if a holiday falls within a full-time employee’s vacation period, he will receive 8 hours of
extra pay at straight-time rates in lieu of the holiday, whether working a 5-day or a 4-day work week and regardless of the shift length.

16. Notwithstanding Article 14.F.1, holiday pay for full-time employees will be equal to 8 hours, or converted to 8 hours of compensatory time, whether working a 5-day or a 4-day work week and regardless of the shift length.

17. Notwithstanding Article 15.A, during the first calendar year of service, full-time employees earn eight (8) hours of vacation and part-time employees earn one (1) day of vacation for each full calendar month of employment, up to maximum of 80 hours for full-time and 10 days for part-time (no vacation earned in June or October).

18. Article 15.B is modified to: Following the employee’s first calendar year of service, the amount of vacation earned increases as the employee begins the years of service as designated in 15.B.1 and 15.B.2 below.

19. Article 15.B.1 is added: Effective January 1, 2009, eligible full-time employees will accrue vacation based on the chart below, whether working a 5-day or a 4-day work week and regardless of the shift length:

20. Article 15.B.2 is added: Effective January 1, 2009, eligible part-time employees scheduled to work a 5-day work week for the majority of weeks in the vacation accrual month, will accrue vacation as outlined below for 5-day work weeks. Eligible part-time employees scheduled to work a 4-day work week for the majority of weeks in the vacation accrual
month, will accrue vacation as outlined below for 4-day work weeks. Should the part-time employee work an equal number of 4-day and 5-day work weeks in the accrual month, the employee will accrue according to the 5-day work week chart below. For the purposes of this provision, work weeks shall be considered within the month based on the first day of the work week (Monday). For example, a work week beginning on Monday, April 28, would be considered an April work week to determine the accrual rate.

23. The last sentence of Article 24.F.1 is modified to: Where actual classroom hours, plus hours worked, excluding an unpaid meal period, exceed the full-time employee’s regularly scheduled paid hours for the day (8 or 10 hours), employees will be compensated at the applicable rate.

Voluntary Early Out Program

In the event of a headcount overage or the need for a reduction in force which occurs prior to ratification of a JCBA for the combined LUS-LAA Fleet Service employees, the Company will offer active employees and employees on authorized Union Leave of Absence the opportunity to participate in a Voluntary Early Out Program as follows:

- Employees must have a minimum of fifteen (15) years of service to participate and have otherwise been unaffected by the reduction

- The maximum number of VEOs (Voluntary Early Outs) offered in a location, classification and bid area will be at a minimum, as determined by the Company, equivalent to the number of reductions in that location, classification and bid area

- Full Time employees awarded a VEOP will receive a lump sum payment of $22,500.00 and Part Time employees will receive $14,500 within thirty days of the employees release date

- In addition to lump sum payment, employee will receive any severance allowance as outlined in Article 10 of the Fleet Service agreement

This Lump sum payment will not have any impact on the “Sick Leave Buy Back” policy currently in place.

The lump sum payment and the severance shall not subject to pension contributions.
Agreement Regarding Seniority List Integration

Pursuant to this Agreement Regarding Seniority List Integration (this "Agreement"), US Airways, Inc. and any successor (collectively, "US Airways"), American Airlines, Inc. and any successor (collectively "American"), the International Association of Machinists and Aerospace Workers ("IAM"), and the Transport Workers Union of America, AFL-CIO ("TWU") (collectively, the "Parties"), hereby agree as follows:

1. On January 25, 2013, US Airways, American, and the TWU entered a Memorandum of Understanding (the "MOU") addressing certain issues in the event a plan of reorganization becomes effective that includes the merger of American or an affiliate of American with US Airways or an affiliate of US Airways ("American/US Airways POR") and that effectuates a combination of American and US Airways into a single entity ("New American Airlines"). In Paragraph 5 of the MOU, the parties to the MOU addressed seniority list integration between the TWU and the appropriate employee representative(s) of US Airways' pre-merger (i) Fleet Service Employees, (ii) Maintenance Control Technician Employees, (iii) Mechanic and Related Employees (including all secreted classifications), and (iv) Stock Clerk Employees — all of which are currently represented by the IAM.

2. This Agreement supersedes and replaces Paragraph 5 of the MOU. US Airways, American and TWU agree that all other terms of the MOU remain in effect, and are in no way changed or altered by this Agreement.

3. The TWU and IAM agree that seniority list integration for each of the four employee groups listed in Paragraph 1 of this Agreement shall be based on the date of each employee's entry into the basic classification, as set forth in the existing Collective Bargaining Agreements and the current seniority lists maintained by American and US Airways for each such group. To the extent that two or more employees have the same date of entry into the Classification, placement on the applicable integrated seniority list as to those employees shall be determined by the date of hire, or if that is also the same, the last four digits of their social security number, with the employee with the lower number being assigned a lower seniority number on the list (having higher seniority).

4. The TWU and the IAM shall complete the seniority list integration process for each of these four groups as soon as practicable. Once the seniority list integration process is completed and the integrated seniority list is published, an affected employee may only challenge his or her placement on the list, but solely on the grounds that (i) his/her date of entry into the basic classification has not been calculated correctly or (ii) that he/she has not been placed on the integrated seniority list in accordance with the terms of this Agreement. The TWU and IAM will form a committee to address and resolve any individual challenges, which
must be raised by submitting a letter identifying the alleged problem to the committee within 30 days after the integrated seniority list is published.

5. New American Airlines shall accept the resulting integrated seniority list for each of these four groups provided that:

a. The integrated seniority lists shall have only prospective effect from their respective date of implementation by New American Airlines.

b. There shall be no “system flush” whereby an employee may displace another employee from the latter’s position as a result of the implementation of the integrated seniority lists or the implementation or expiration of any condition or restriction contained in the integrated seniority lists;

c. Employees on furlough status at the time the applicable integrated seniority list is implemented may not bump or displace employees in active status at that time; and

d. The integrated seniority lists shall not contain conditions or restrictions that increase the costs associated with training above those normally associated with the merger of two airlines.

6. New American Airlines shall not implement the integrated seniority list for any of these four groups until implementation of a single collective bargaining agreement governing the combined employee workforce of that group.

Dear Mr. Delaney:

This letter will confirm our agreement regarding the application of excise tax or other penalty included in The Patient Protection and Affordable Care Act (PPACA) or any excise tax or penalty which may replace the PPACA.

In the event the Company determines that any of the PPO 100, 90 or 80 percent plan design options provided for in this Agreement (each a “Plan”) would be or become subject to an excise tax or other penalty under applicable law (and thus become an “Affected Plan”), the Company will meet and confer in good faith in order to reach an agreement with the Union concerning the minimum modification or modifications to the affected Plan necessary to avoid application of the excise tax or other penalty. The Company shall provide to the Union information that the Union reasonably requests, including actuarial reports, necessary for the Union’s design and consideration of such modifications. Unless otherwise agreed, any agreed modification shall become effective at the time the excise tax or penalty would become applicable in respect of the Affected Plan (the “Affected Plan Date”).

If the Company and the Union are unable to agree on modifications necessary to avoid the application of the excise tax or other penalty on the Affected Plan within ninety (90) days after the initial meeting, an arbitrator shall immediately be selected in accordance with the Collective Bargaining Agreement to determine the modifications to the design of the Affected Plan that will become applicable. The authority of the arbitrator is expressly limited to establishing those modifications to the design of the Affected Plan that will ensure that no excise tax or other penalty will apply. If the arbitrator determines that no reasonably practical modification to the Affected Plan can
guarantee that no excise tax or other penalty will apply, the Company shall have the right to terminate the availability of the Affected Plan to the Fleet Service employees. If, under the preceding sentence, the Company has terminated or would have the right to terminate the availability to the Fleet Service employees of all three Plans, the arbitrator will be empowered to designate an alternative plan design (a “New Plan”) that is available from the Company provider and that replicates the provisions of the 80 percent plan to the greatest possible extent without causing the New Plan to become subject to any excise tax or other penalty. In the event that the arbitrator has not issued a determination prior to the excise tax or penalty becoming due or if such penalty or excise tax is otherwise owed for any reason, notwithstanding any contrary provision of law, the Company shall be permitted to implement such modifications to the design of the Affected Plan as it considers to be necessary to avoid the excise tax or penalty. The Company shall have a reasonable period of time following the issuance of the arbitrator’s determination to implement the New Plan. Notwithstanding the foregoing, the provisions of this Letter of Agreement shall not be effective if, after the effective date of this Agreement, the Company enters into any new or amended collective bargaining agreement having a term of three (3) years or more with any union group that does not contain a provision substantially similar to this Letter of Agreement.

In the event a plan is modified pursuant to this Letter of Agreement (LOA), employees will be afforded the opportunity through an open enrollment period to elect a different plan, prior to the implementation of any modified plan.

Sincerely,

E. Allen Hemenway
