RECOGNITION

A. This Agreement is made and entered into in accordance with the provisions of Title II of the Railway Labor Act, between Spirit Airlines, Inc. (referred to in this Agreement as the "Company") and the International Association of Machinists and Aerospace Workers (referred to in this Agreement as the "IAM" or "Union").

B. The IAM is the representative union of the Spirit employees comprising the craft or class of Fleet Service Employees as certified by the National Mediation Board in Case R- 7387 on July 08, 2014.

C. The purpose of this Agreement is, in the mutual interest of the Company and of the employees, to provide for the operation of the services of the Company under methods which will further to the fullest extent possible the safety of air transportation, the efficiency of operation, and the continuity of employment under conditions of reasonable hours, compensation and working conditions.

For the advancement of this purpose, the Company and the Union agree to cooperate fully, both individually and collectively.

D. The Company retains the sole and exclusive right to manage, operate, and maintain the efficiency of its business and working forces. This includes, but is not limited to, the right to hire, discipline, suspend and discharge employees for just cause; to hire, promote and demote employees, and maintain discipline and efficiency in the Company's facilities; to determine where and when to operate
scheduled or unscheduled flights; to determine the type and location of facilities, equipment, and aircraft the Company will utilize; to sell or discontinue all or part of the business; to sell or lease aircraft or facilities; to determine marketing methods and strategies; to enter into code-sharing, affiliation, or marketing agreements with other carriers; and to invest in other business entities including, without limitation, other air carriers. The exercise of any right reserved herein to management in a particular manner, or the non-exercise of a right, will not operate as a waiver of the Company's rights, nor preclude the Company from exercising the right in a different manner. The rights enumerated above will not be deemed to exclude other preexisting rights of management, except as expressly provided in the Agreement.

E. It is understood and agreed that the Company will not lock out any employee covered under this Agreement, and neither the Union nor its members will authorize, encourage or take part in any slowdown, sit down, work stoppage, strike, sympathy strike, picketing (except for informational picketing), or any other activity that would constitute self-help or would constitute concerted activity intended to or which result in interference with the operations of the Company during the life of this Agreement and/or until the procedures of the Railway Labor Act for settling disputes between the parties have been exhausted.

F. No employee covered by this Agreement shall in any way cause malicious damage to either the property or reputation of the Company. Any such action shall be cause for immediate discharge. The Union agrees that it will cooperate in preventing such actions.
G. Merger Protection:

1. In the event of any merger of the Company with another airline, acquisition of the Company by another airlines, or acquisition by the Company of another airline, which affects the seniority rights of the employees covered by this Agreement, the parties will make their best efforts to integrate the seniority lists in a fair and equitable manner including, where applicable, agreement through collective bargaining between the carriers and the representatives of the employee groups affected. In the event of failure to agree, the dispute shall be resolved in accordance with Sections 2, 3, and 13 of the Allegheny-Mohawk Labor Protective Provisions.

2. Upon announcement of any transaction which is intended to result in the consolidation of the Company with another air carrier, the parties will meet promptly to negotiate an appropriate fence agreement and to implement a seniority integration process as described above. These discussions shall not be a prerequisite for closing or completing a transaction under this Article.
Article 2

UNION REPRESENTATION

A. UNION SECURITY

1. As a condition of employment, all employees of the Company covered by this Agreement will, on the effective date of this Agreement, become and remain members in standing of the Union or, in the alternative, render to the Union a monthly sum equivalent to the standard monthly dues required of the Union members ("Service Fees"). All employees covered by this Agreement and hired on or after the Agreement’s Effective Date will comply with these requirements on or before the 60th day following their initial seniority date.

2. For the purpose of this Agreement, “membership in good standing in the Union” shall mean that the employee is a member of the Union and not sixty (60) or more calendar days in arrears in the payment of initiation fees, reinstatement fees, membership fees, or Service Fees uniformly required of other employees of the same Union.

3. During the term of this Agreement the Company agrees to deduct from the pay of each member of the Union and remit, electronically, to the Union standard initiation (or reinstatement) fees, Service Fees, and monthly membership dues uniformly levied in accordance with the constitution and by-laws of the Union as prescribed by the Railway Labor Act, as amended, provided such member of the Union voluntarily executes form(s), to be known as a dues check-off form. The forms will be provided
by the Union and will provide such information as the Company may
require to make the deductions. Dues or Service Fees deductions are to
be withheld from the first pay check of the month. If a deduction is missed,
or in the event an insufficient amount is deducted, the proper adjustment
shall be made from the next pay check(s) until collected. The Company
will remit to District Lodge 141 the wages withheld for such fees and/or
dues. The amount withheld will be deducted from the appropriate
paycheck, reported and paid to the Union monthly but no later than the
10th of the month following the month in which the deduction(s) were
made. The Company shall transmit with the monthly dues or Service Fees
the following: employee number; last name; first name; middle initial; the
amount of dues or fees deducted; dues rate; rate of pay; station code;
department; job; and status of employment.

4. Dues check-off forms submitted to the Company at least twelve (12) days
or more before the first pay date of the month will commence deductions
on that date. When a check-off form is submitted to the Company that
indicates an initiation (or reinstatement) fee is to be withheld equally from
the first two (2) pay checks of the month, dues or Service Fee deductions
will commence the following month.

5. The Company will advise the Union of the name, employee number, hire
date, home address, station code, department, and job title of any new
hires covered by this Agreement and the names, employee numbers and
date of separation or change of employment status of all other employees
covered by this Agreement who have been terminated, laid off, retired, transferred, or recalled at the time the Company remits the monies to the Union pursuant to Article 2 A.3. above. The Company will provide this information to the Union in an electronic format.

6. It is the sole responsibility of any employee who is not on an automated dues deduction program to keep their membership current by direct payments of monthly dues or Service Fees to the Union.

7. If an employee becomes not in “good standing” within the meaning of Article 2 A.2, he shall be subject to discharge and the following procedures shall apply:
   
a. The General Chair of the Union shall notify the employee in writing, Certified Mail, Return Receipt Requested, along with a copy to the Director of Labor Relations of the Company, that he is delinquent in the payment of fees or dues as specified in Article 2 A.2. and that he is subject to discharge as an employee of the Company. Such letter shall also notify the employee that he must make the required payment to the Financial Secretary of the appropriate local lodge of the Union within twenty-one (21) days of the date of mailing of the notice or be subject to discharge.

b. If, upon expiration of the twenty-one (21) day period, the employee remains delinquent, the General Chair of the Union shall certify in writing to the Director of Labor Relations of the Company, with a copy to the employee, that the employee has failed to make the required payment
within the twenty-one (21) day grace period provided in paragraph 7.a. above, and therefore is to be discharged. The Director of Labor Relations shall promptly notify the employee involved that he is to be discharged from the service of the Company, and shall so discharge him for his failure to pay or tender the applicable fees or dues as required by the terms of this Article unless the Union and the employee agree otherwise in writing.

8. A discharge under the terms of this Article shall only be based upon the failure of the employee to pay or tender payment of dues or fees as specified herein and not because of denial or termination of the membership in the Union upon any other ground.

9. The grievance procedures of this Agreement shall not apply to disciplinary or discharge matters arising under this Article.

10. No employee covered by this Agreement, including any employee whose employment is terminated pursuant to the provisions of this Article, nor the Union, shall have any claim for loss of time, wages or any other damages against the Company because of the Company's compliance with this Article or because of any alleged violation, misapplication, compliance or non-compliance with any of the provisions of this Article. The Union, however, shall not be prohibited from filing a grievance against the Company for non-compliance with this Article.

SENIORITY

A. Seniority Defined

1. Company Seniority begins on an employee's first day of employment with Spirit Airlines, and shall be retained throughout his/her continued employment with Spirit Airlines for the purposes of obtaining benefits, vacation, and travel boarding priority, regardless of departmental transfers. Company seniority will be adjusted for any suspension or for personal leave of absence in excess of thirty (30) days.

2. Job Seniority begins on an employee’s first day of work in any position within the classifications covered by this Agreement. Job seniority is used to determine work schedule, furlough/recall, step increases, vacation bids and transfers.

B. Seniority Calculation

Seniority is calculated as a comparable value as Full Time Equivalent Hours (FTE) and gives employees credit for hours already worked when changing from Part-Time to Full-Time status. Employees transferring from a Part-Time to Full-Time position will be given credit for their Part-Time service on a one (1) day full-time equivalent seniority for every two (2) days worked as a Part-Time employee if they have been in a Part-Time status for a period of at least one year. When two or more employees hold the same Job Seniority date, Company Seniority will prevail. If the Company Seniority of the employees is
the same, the last four digits of the employees' social security numbers will be used to determine their relative seniority, with the lowest number being the more senior.

C. Probation

1. Newly hired employees will be regarded as probationary for the first 180 calendar days of active service in the position.

2. Employees may be discharged at any time for any reason during their probationary periods without a hearing.

3. The Company may temporarily assign shifts and days-off for employees in their probationary period.

4. An employee's probationary period may be extended in cases of an employee's extended absence for the length of his/her absence, in which case the Company will notify the Union.

D. An employee will lose all seniority, his/her name will be removed from all seniority lists and his/her employment with the Company terminated if he/she quits or resigns; is discharged for cause; retires; is off payroll for 24 consecutive months other than for furlough; is absent from work for three consecutive days without properly notifying the Company of the reason for his/her absence (AWOL); refuses recall or fails to report within the time allotted after being recalled; or fails to return from an approved leave of absence.

E. A seniority list will be posted for 30 days no later than the 7th day of the current month.
Article 8

REDUCTION-IN-FORCE AND RECALL

A. If business conditions require a reduction-in-force, Ramp Agents shall be laid off/furloughed in reverse Job Seniority order at their location. The affected employee will retain the right to exercise his/her Job Seniority to bump into another station. The Company may solicit volunteers in Job Seniority order that are willing to accept furlough. The Company also may offer to Full-Time employees, in Job Seniority order, the option to reduce to a Part-Time status to avoid or reduce the impact of a reduction-in-force. Ramp Agents who are furloughed shall continue to accrue Company and Job Seniority. There shall be no loss of accrual rate of vacation, or accrual rate of sick time due to the layoff/furlough. Ramp Agents who are laid off/furloughed will be eligible for recall when business conditions warrant. In the event of a recall, Ramp Agents shall be recalled in Job Seniority order.

B. It is the sole responsibility of each employee to keep his/her current address and telephone number on file with the Human Resources Department and District Lodge 141. The Company shall be responsible for providing and maintaining a database where all Ramp Agents must update their address and telephone numbers as needed.
C. Furlough pay shall be applicable to any Ramp Agent that has one (1) or more years of Job Seniority. Furlough pay shall be one week of pay for each year of service with a minimum of two (2) weeks, and a maximum of six (6) weeks of furlough pay. A Full-Time employee’s furlough pay shall be calculated based on a forty (40) hour work week. A Part-Time employee’s furlough pay shall be calculated based on a twenty (20) hour work week.

D. Except as otherwise provided, Fort Lauderdale based employees whose Job Seniority is on or prior to June 14, 2015 will continue to accrue Job Seniority while on furlough. Except as otherwise provided, employees hired after June 14, 2015 will retain and continue to accrue seniority for a maximum of five (5) years.

E. A furloughed employee must respond to a notification of recall within seven (7) calendar days. An employee shall have up to fourteen (14) calendar days to report to work after responding to and accepting the notification of recall. If an employee declines recall, or fails to report within the fourteen (14) calendar day period, the employee shall be deemed to have resigned his/her employment with the Company and shall forfeit all recall rights.
1. When the requirements of service permit, Full-Time employees may be eligible for a personal leave of absence (PLOA) after completion of 180 days of employment. The maximum period of time for which a PLOA may be approved is thirty (30) calendar days.

2. An employee’s earned and accrued vacation shall be applied to the leave and the leave will be unpaid once the employee’s vacation accruals have been exhausted.

3. Employees on a PLOA will continue to accrue seniority for thirty days after they convert to an off-payroll status. Employees shall not accrue any vacation or sick time while on a PLOA and are not entitled to any flight benefits until they return to active status.

4. Employees on formal corrective action or probation shall not be eligible for a PLOA.

D. Bereavement Leave

1. In the event of a death in their immediate family, employees with at least six (6) months of continuous service may take off up to three (3) days off with pay. It is expected that the time off will be taken beginning with the notification of death. Any additional time off may be requested as vacation or as unpaid personal leave. If unpaid personal leave is utilized, a maximum of five (5) unpaid days may be taken.

2. For purposes of bereavement leave, an employee’s immediate family includes: spouse, domestic partner (as listed on the employee’s dependent
travel profile), child, step-child, adopted child, parent, brother, sister,
grandchild, parent-in-law, and the employee’s grandparent.
3. The employee is responsible for notifying his/her supervisor in a timely
manner of the need for bereavement leave and he/she will be required to
show proof of the death (e.g. death certificate, newspaper obituary, funeral
home notice).

E. Jury Duty

Active Full-Time and regular Part-Time employees are eligible for pay at their
straight time rate for their regular work hours missed due to jury duty. An
employee is required to provide verification from the court clerk confirming
service as a juror to his/her supervisor. In the event an employee is released
from jury duty early, he/she is expected to return to work for the remainder of
his/her work schedule.

F. General

1. Active Full-Time and regular Part-time employees are eligible for pay at their
straight time rate for their regular work hours missed while serving as a
witness related to Company business.

2. An employee shall not accept other employment of any kind while on a leave
of absence. An employee who accepts other employment while on a leave
will be deemed to have voluntarily resigned from his/her employment with the
Company.
3. If an employee does not return to active service by the first work day following
the expiration of his/her approved leave, his/her employment will be
terminated by operation of this paragraph, and no separate notice is required.

4. The Company may hold in abeyance or proceed with any counseling,
performance review, or corrective action, including termination, that was
contemplated prior to any employee's request for or receipt of a leave of
absence or that has come to the Company's attention during the leave. If any
action is held in abeyance during the leave of absence, the Company will
notify the Union in writing and the Company reserves the right to proceed with
the action upon the employee's return. Requesting or receiving a leave of
absence in no way relieves employees of their obligation while on the job to
perform their job responsibilities capably and up to the Company's
expectations and to observe all Company policies, rules and procedures.

   a. Before filing a grievance in a contract dispute case, an employee(s) must present his or her complaint directly, or through his or her local committee, to local management. This presentation may be verbal but must be made within ten (10) calendar days after the date on which the employee(s) knew or reasonably should have been expected to know of the cause giving rise to the complaint. Local management will discuss the complaint with the employee(s) and/or the local committee or steward in an effort to reach a satisfactory resolution of the dispute and will provide a verbal or written reply to the employee(s) and/or the local committee within ten (10) calendar days.

      which the employee’s complaint arose, a citation of each provision of this

      local committee of the time and date for hearing which will be commenced within
      ten (10) calendar days after the date on which the Step One hearing officer received
      the grievance. The purpose of the hearing will be to afford the grievant and/or the
      local committee and the Company an opportunity to discuss the facts and

      without prejudice to the parties’ respective positions at any subsequent arbitration
      hearing.

Union representative and the Company an opportunity to discuss the facts and
arguments relevant to the dispute in an attempt to reach a satisfactory settlement
without prejudice to the parties’ respective positions at any subsequent arbitration
hearing.

c. The Company’s Step Two Hearing Officer will issue a written decision on the appeal
to the Union within ten (10) calendar days after the conclusion of the Step Two

The Company’s Step One Hearing Officer will issue a written decision to the Union within ten (10) calendar days after the conclusion of the Step One grievance hearing.

III. MEDIATION PROCESS

The parties may mutually agree to mediate any dispute properly submitted to the System Board of Adjustment, prior to a hearing on the dispute, and pursuant to the following procedures:

The rules of evidence will not apply and no transcript of the Mediation Conference shall be made.

B. The grievant(s) will have the right to be present for the presentation of the case. G. The advisory decision of the Mediator, if accepted by the parties, shall not constitute a precedent, unless the parties agree otherwise.
H. Any written material or documentary evidence presented to the Mediator or to the other party shall be returned to the party presenting that material at the end of the Mediation Conference.

I. In the event that a grievance, which has been the subject of a Mediation Conference, is subsequently heard before the System Board of Adjustment, the Mediator may not serve as the arbitrator, nor may he/she be called as a witness by either party in the Board's proceedings. During the System Board proceedings on such a grievance, no reference will be made to the fact that the grievance was the subject of a Mediation Conference, nor will there be any reference to statements made, documents provided, or actions taken by either the Mediator or the participants during the course of a Mediation Conference, unless the party offering such statements, documents or actions would have had access or entitlement to them outside of the Mediation Conference.

J. By agreeing to schedule a Mediation Conference, the parties are not waiving any procedural arguments that they may have regarding the case. Both the Company and the Union reserve the right to raise jurisdictional or procedural issues notwithstanding their agreement to schedule such a conference.

K. All parties in the Mediation Conference, including the Mediator, are barred from disseminating information pertaining to the conference and/or individual grievances to the public, the media or like source.

L. All mediation fees and expenses will be shared equally between the parties. The Mediation Conference will be held in the same location as would a System Board hearing.
