To our Sisters and Brothers of Texas,

When horrible things happen we want to know that there are people who care, and that someone will be there for us when we need help. The officers of District Lodge 141, as well as the entire International Association of Machinists (IAM), want you to know that you are not alone. Please don't hesitate to contact a District Lodge 141 officer and let us know how we can help you. Please make a note of the following contact information, in case it is helpful to you.

On behalf of the entire DL 141 staff.

Fraternally yours,

Michael G. Klemm
