

Safety Plan Meeting Spaces

Fire

- In case of a fire, guest/client must exit thru nearest exit towards a secure area. Follow evacuation directions from hotel staff.
- All the routes are identified with illuminated exit signs.
- If fire or smoke is in your location proceed to exit the building safely and activate pull station when safe to do so.
- Evacuation must be performed unless Fire Alarm is false, Hotel Management will communicate with your group.
- Always use stairs, DO not use Elevators.
- Reedy Creek Fire department is located with a block from our location and can be reached by dialing 911.

Medical Emergency

- The hotel has a safety and security team 24 hours a day. In the event of an emergency, calling the extension # 0 will initiate the appropriate response.
- Paramedics, Fire Department, and the Police Department are all located approximately .05-1 miles from the hotel. (back parking lot)
- In case of a Medical Emergency (examples- Heart attack, epilepsy attack ext.) we recommend calling 911 and security right away @ Ext 3350
- We have Security Officers and Managers trained in CPR and First Aid.

Inclement Weather

- During the event of lightning, pools will be close when lightning is at range of 6 miles or less.
- In the Event of hurricane watch/warning hotel will take appropriate measures to protect the safety of guests and team members alike. Please follow all instructions given by hotel staff.
- Storms will be monitored constantly for Tornado watches and warnings. In case of a Tornado Warning stay in away from windows and take shelter on a small compact space.

Active Shooter/ Shooting

- Take shelter, turn off cellphone, computer monitor and lights when possible. If you able to run from the situation do so. Call 911 when safe to do so.
- Run, Hide or Fight.
