ASSOCIATION SETS THE RECORD STRAIGHT

Brothers and Sisters,

American management recently distributed incomplete and misleading negotiating documents to its employees. Don't be fooled by their union-busting tactics.

Please visit our Association page at <http://www.usaamerger.com> to view the videos partitioned into sections for easier viewing to see the real state of negotiations between American Airlines and the TWU-IAM Association.

Then tell the company to get back to the table and finish the job.

Fraternally,

Your Association Executive Negotiating Committee
