

## CLIENT AND CONVENTION ATTENDEES EMERGENCY INFORMATION SHEET

Welcome to The Tropicana Las Vegas, please take time to enjoy our amenities during your time with us.

For any type of Medical Emergency please contact Security, as all Security Officers at the Tropicana are trained responders in First Aid, CPR and the use of an AED. Security will engage advanced emergency services if requested, even if you have already done so.

- Security In-House Extension . . . . . 3011 or 67 (emergencies)
- Security External Telephone . . . . . 702-739-2396
- Emergency 911 . . . . . 911  
(You must dial a "9" from an in-house telephone to connect to an outside line)

If an audible alarm sounds, and visual strobes are flashing, an announcement will broadcast as to the current condition of the source of the alarm.

- Stay Calm
- Proceed as directed by the alarm announcement, or Tropicana Team Member
- Know at least two exits nearest to your location at all times during your stay.
- Exit routes and maps are posted at all stairwells, elevators and in your guest room.
