

Tentative Agreement with Hawaiian Airlines Reached

Sisters and Brothers,

We are proud to announce we were able to reach Tentative Agreements with Hawaiian Airlines on both Clerical, Office, Stores, Fleet and Passenger Service and Maintenance and Related groups. Attached are the highlight sheets for the individual agreements. The full tentative agreements will be posted next week after all proofing and edits are completed. We will hold the ratification on February 16th across the entire system. The informational meeting schedule will be posted as soon as we confirm all locations.

We want to thank the membership for their support and patience as we worked on these agreements. **Your negotiating committee unanimously recommends a YES vote.**
