Negotiations Continue in Houston

This week, the IAM District 141 Negotiations Committee and United Airlines continued negotiations in Houston, Texas. Both parties exchanged proposals and responded to open items regarding issues in Articles 1, 4, and 10 in the collective bargaining agreements.

While we hoped to be much further along in this expedited negotiations process, we achieved incremental progress this week. We again reiterated to the Company that IAM-represented workers at United Airlines deserve the industry's best agreements.

Negotiations will continue the week of April 25th.
