

An Assist.

The EAP Can Help With That

The Machinists Union Employee Assistance Program can help you find comprehensive, professional and confidential help with almost anything life throws at you.

The EAP partners with top-rated and licensed therapists, counselors, addiction specialists, and other experts to provide the highest quality care possible.

Your EAP can also help you navigate through insurance options, and find the plans that work best for your unique circumstances.

EAP Services are Free

The services of the EAP are available to you at no cost. If you are referred to a care provider, your EAP Representative can help identify all the discounts, incentives and financial assistance you may be entitled to.

Always Confidential

The EAP maintains the highest levels of confidentiality and respect for your personal privacy. You are in complete control over how your personal information is shared.

How the EAP Works

Trained and experienced EAP Representatives carefully evaluate a range of wellness programs to ensure those seeking assistance will receive the highest levels of professionalism and care. These programs include addiction specialists, family and marriage counselors, trauma experts and licensed therapists, among many others.

When you call an EAP Representative, they will help you locate custom treatment options for your unique circumstances. They can explain how to work with your insurance and guide you through the process of obtaining the care you need.

EAP support is compassionate, confidential, free, and just a phone call or text away.
