THE TWU-IAM ASSOCIATION

September 20, 2024

To Association Fleet Sisters and Brothers:

We are pleased to announce the Association has reached a Tentative Agreement with American Airlines regarding the economic-only contract extension proposal discussed over the past thirty days. Association leadership, along with the Fleet Negotiation Committee, have tentatively approved an agreement which will provide our members with significant wage increases comparable to the industry. Please review the attached wage chart which includes Crew Chief and CCC premiums.

The next step in the process is for Negotiation Committee members to schedule in-person meetings to provide the opportunity for members to ask questions and receive information prior to the ratification vote. Details on the schedule and balloting process for ratification will be available once arrangements are finalized.

Once again, we want to thank our members for their patience as we navigated through this process and more importantly, for your continued unity.

Fraternally,

Association Fleet Negotiation Committee
