Endorsement Vote Letter

12 March 2026

Last December, a mailing was sent to more than 59,000 District 141 members advising them of the upcoming Officer Nomination, Endorsement, and Election.

On February 6, 2026, nomination meetings were held at 40 Local locations across the system. As a result of those nominations, the position of President and Directing General Chair was contested in 11 locations. All other officer positions were uncontested.

On March 6, 2026, the 11 Local locations conducted the endorsement vote for the position of President and Directing General Chair with care and accuracy. I would like to thank each Local for their efforts and professionalism throughout this process.

The final results of the endorsement vote are now posted on the IAM141.org website. One candidate received the endorsement of all 11 Local locations, and therefore, no election will be held in June.

Thank you to all the members who participated in our democratic process.

In solidarity,
