

**Fleet Technical Instructors and Related Employees**  
**Article 4.D**

D. Line Observations

1. FTI's & FTS's will, as determined by management, and as part of their normal schedule, be scheduled for line observations per Article 11, paragraph B.1. in an airplane or a flight simulation training device as specified in the AQP document.
  - a. The Company will advise the Union when it intends to revise the AQP document for this purpose.
2. EPI's & EPS's may request line observations, and may be assigned as approved by management.
